-Westinghouse- Long Strike Ended

Electric Workers Accept 5-Year Peace Plan

WASHINGTON (AP) — The 156-day Westinghouse Electric Corp. strike, the nation's longest major walk-out in two decades, was settled Tuesday night.

Company and union officials put their signatures on a new five-year contract in a ceremony with director Joseph F. Finnegan of the Federal Mediation Service. His agency patiently guided the disputants to their settlement.

Final agreement came when the Westinghouse conference board of the striking International Union of Electrical Workers (IUE) gave the deal an okay. The company had agreed essentially to the settlement, proposed by the government, two weeks ago but agreed to some minor changes to meet union objections.

These mainly concerned provisions for reinstatement consideration of 36 workers discharged for alleged violence during the five-month walkout. An arbitrator will have the final say-so on whether they get rehired.

Separate Talks

The settlement ended the IUE phase of the strike so far as about 45,000 workers were concerned.

But it left in effect a strike of 10,000 additional Westinghouse workers, members of Independent United Electrical Workers (UE). This requires separate negotiations. More than half the UE strikers are employed at Philadelphia.

The new contract gives IUE workers annual raises of from 5 to 22 cents an hour during the five-year contract, which runs to October, 1960, dating from last October. It also provides pension, insurance, grievance handling improvements.

Both sides claimed vindication. Westinghouse won the five-year contract it wanted, matching one negotiated by its major competitor, General Electric. The IUE maintained it had improved many contract clauses and won valuable job protections.

Called Back

Westinghouse officials said some workers would be called back beginning Wednesday. It said most workers will be back in two weeks but some, in heavy machinery works such as East Pittsburgh, will be idle an additional month before production can be resumed.

IUE President James B. Carey said the strike "provided a lesson in militancy and fraternity for the world to remember." Westinghouse vice president John D. Blaser said "all in all, we are highly pleased with the entire settlement."

Winds Kick Up Dust In West; Showers Here

Strong winds Tuesday kicked up clouds of dust in western Nebraska and elsewhere around the state kept temperatures markedly below the 60-degree prediction, the Weather Bureau reported.

However, as per prediction, light rains fell in Lincoln and in other parts of the state Tuesday evening and early Wednesday.

The weatherman said Wednesday would be partly cloudy, colder and occasional rain or snow should hit the southeast in the forenoon. Temperatures were to reach into the 40's over the state.

Light drizzle or rain fell at Grand Island, Omaha and Lincoln. Blowing dust Tuesday blackened the McCook area and was encouraged by winds gusting to 32 miles an hour. At Kearney winds averaged 22, but gusted to 29 miles an hour.

Lincoln and Grand Island measured winds hitting 22 m.p.h. with 27 m.p.h. gusts recorded at Grand Island.

Despite the cold blow, temperatures hit a 57 degree high at Imperial, 53 at North Platte and 54 at Scottsbluff. Over most of the remainder of the state high ranged in the 40's. Lincoln had 48.

A 24 degree low at Sidney was the coldest spot in Nebraska. Lincoln's Tuesday low was 29.

Scene Of Fatal Accident Near Diller

A 19-month-old youngster was killed instantly when the car (above) driven by his mother collided with a truck (right above) at a highway crossroads six miles south of Diller. (Star Staff Photo.)

2-Car Wreck Hurls Diller Tot To Death; Another Crash Kills

Lincoln Star Special
DILLER, Neb. — Two more names were added to Nebraska's 1956 highway death toll Tuesday following accidents at Diller and Clarkson.

Nineteen-month-old Mardell Lynn Maatsch was killed Tuesday afternoon in a two-car accident six miles south of Diller.

DeWayne Klink, 19, of Leigh, Neb., died earlier Tuesday at a Schuyler hospital of injuries suffered in a one-car accident Saturday night near Clarkson. The car went out of control and struck an embankment beside the road.

The Maatsch youngster was killed when the car his mother was driving was in collision with a truck driven by Charles V. Dickerson of Fairbury at the intersection of State Highways 103 and 3.

Witnesses reported the baby was hurled through the windshield.

Sheriff Deyo Hughes said Mrs. Maatsch of Diller, had just turned onto Highway 3 from the other highway when the crash occurred.

Dickerson, 47, was not injured. Neither were Mrs. Maatsch and another son, Darrell, about 6, and two small children of Mr. and Mrs. LeRoy Bentley of Diller who were riding with her.

The deaths raised the state's highway death toll to 70, compared with 67 at this time a year ago.

-FARM BILL- Ike Not Pleased Eisenhower Tags Some Sections 'Unworkable'

WASHINGTON (AP) — Sen. Bridges (R-NH) reported Tuesday President Eisenhower thinks some sections of the Senate farm bill are "unworkable" and others "unsound."

Bridges, chairman of the Republican Policy Committee in the Senate, added that at a long White House conference Eisenhower clearly indicated he was "not enthusiastic" about the legislation passed by the Senate Monday night.

Bridges told reporters that GOP leaders spent more than an hour going over the patchwork bill with the President. While Eisenhower expressed dissatisfaction with it, and a hope that it could be improved in conference with the House, he did not discuss the possibility of a veto, the senator said.

The Senate's majority leader, Lyndon B. Johnson of Texas, was in a more cheerful frame of mind about the job the Senate did for the farmers.

More Income
The Senate ignored the threats of a veto and the intimidation of Benson (secretary of agriculture) and voted to give the farmer more income," Johnson said. "I believe the conference can improve the bill as it was passed by the Senate."

"We will do everything we can to give the farmers more income this year."

In an unusual move, Rep. Cooley (D-NC), chairman of the House Agriculture Committee, plans to call Benson before his committee for questioning before appointing the House conferees.

'Coming Home'
"Some of Mr. Benson's chickens are coming home to roost," Cooley said without elaboration.

He said he was trying to move as quickly as possible, "but this is a complex and controversial bill." Benson will be asked to sit down with the committee Thursday, if he is free, or next Tuesday.

Cooley said he hoped to appoint the conferees next week. He will head the delegation, and other members are expected to be Reps. Hope (R-Kan.) Andersen (R-Minn.), Poage (D-Tex.) and Grant (D-Ala.).

Today's Chuckle

JAMES M. HAMMOND

J.M. Hammond Dies; Former Gooch Official

James M. Hammond, secretary-treasurer of the Gooch Milling and Elevator Co. from 1910 until his retirement in 1952, died Tuesday afternoon in a North Platte hospital. He was 74.

He had suffered a stroke a week ago while at his ranch home at Maxwell, His Lincoln residence was at 2215 D.

Mr. Hammond was a past president of the Lincoln Rotary Club and the Lincoln Grain Exchange, a director of the Chamber of Commerce, and had long been an active member of Westminster Presbyterian Church. He was also a member of the Lincoln County Club.

Born in Beatrice, Mr. Hammond was associated with the Dempster Manufacturing Co. in that city before joining Gooch's.

Surviving are his wife, Caroline; two daughters, Mrs. Lois Reedy of Denver, Colo., and Betty Hammond of Nome, Alaska; two sons, William of Pittsburgh, Pa., and James of Wichita, Kan.; and 10 grandchildren.

Arrangements are pending for the funeral, which will be held in Lincoln.

SOIL BANK FIGURES TAKE SHARP PENCIL

It takes a lot of figuring to know what the soil bank plan means, either for farmers or for city folk.

For an account of how it could work, see B. R. Rothenberger's story on Page 20.

Stevenson Loses In Minnesota Race

Many Republicans Give Estes A Hand By
Hopping Into Demo Primary Battle
To Vote Against Adlai

MINNEAPOLIS (AP) — Stevenson forces conceded victory Tuesday night to Sen. Estes Kefauver in Minnesota's vital Democratic presidential primary.

It was a stunning upset victory for the Tennessee senator, compounded of votes from both Republicans and Democrats.

Gov. Orville Freeman, a top Stevenson supporter, spoke up for the party high command of the state to offer Kefauver "congratulations on the great victory you have won."

The two men, the senator and the governor who had worked and fought against him met face to face in a downtown hotel. Kefauver pumped Freeman's hand and said:

"Thank you very much; I have always liked you."

At the moment the senator was ahead in all the state's rural areas. He had moved away from Stevenson in the city of St. Paul and the fourth congressional district the city dominates. He was running nearly abreast of the former Illinois governor in the Duluth-Iron Range district in the north.

Kefauver's lead had passed the 50,000 mark and he apparently was gathering in 26 of Minnesota's 30 votes at the Democratic national convention next August.

Returns from 2,324 of 3,868 precincts piled of 168,880 votes for Kefauver, 118,811 for Stevenson.

That meant he was scooping up all 12 delegate-at-large votes at one national convention, which are determined by the statewide vote.

He also was out front in 7 of the 9 congressional districts, which represents two convention votes apiece — a total of 14 — in his column.

Knowland
On the basis of 2,292 precincts, President Eisenhower had polled 131,698 votes to 2,176 for Sen. William F. Knowland of California.

Knowland was a technical opponent only, since he had backed away from a race after Eisenhower decided to try for another four years in the White House.

The Minnesota primary spelled loss of prestige as well as convention votes for the former Illinois governor.

He was supposed to win this one, and win it big, since he had all the power and influence of Freeman, Sen. Humphrey and the state party organization behind him.

But Kefauver had the people on his side.

Freeze Out
Some of them were Republicans.

Some, too, were Democrats who might have voted for Adlai but listened to Kefauver's complaints that the endorsement given his opponent by the Democratic State Central Committee and its leaders was an attempt to freeze him out and set up a one man primary election.

Republican national committee-man George Etzell contended that "no argument can be made that Republicans crossed over in sub-

stantial numbers to vote the Dem-

ocratic-farmer-labor ballot."

Of course there was no telling how many did. But there was evidence that some crossed over.

The large vote for Eisenhower, Etzell said, shatters the argument that there was a switch in substantial numbers.

Repudiated

"The plain fact," he said, "is that, on the DFL side, the rank-and-file voters have repudiated the leadership of Gov. Freeman, Sen. Humphrey, and Rep. Eugene McCarthy."

"It appears that Sen. Kefauver was only a symbol in a revolt to end boss dictatorship over that party. Gov. Freeman must look toward next November with a great deal of apprehension. Republicans, on the other hand, are convinced the party has the

County Tosses Aside Fight For Gas Taxes

The Lancaster County Commissioners decided Tuesday to drop its long fight for a larger share of the state gas tax funds collected between 1950 and 1954.

Commissioner Russell Brehm's motion that the county ask the Supreme Court for a rehearing on its appeal died for want of a second.

Brehm said the county should take "this last legal step," not so much for the money as for judicial determination of the liability of a public treasurer on his official bond.

County Attorney Elmer Scheele informed the board that the other four appealing counties — Box Butte, Douglas, Sarpy and Stanton — had decided not to take further action.

The Supreme Court this month denied an appeal and in effect upheld the District Court's decision distributing the nearly \$3 million paid into court as undistributed for the last quarter of 1954.

The high court held the counties in accepting the court's distribution had precluded their right to appeal the decision.

LAZARUS

Stories From The Life Of Jesus

(The thirty-first chapter in The Star's Lenten series.)

By APRIL OURSLER

ARMSTRONG

One night as Jesus preached by the light of a campfire a messenger on a donkey clattered across the rocks.

"I have come from Bethany, Master," he said. "Your friends, Mary and Martha, have sent me to tell you that Lazarus, their brother, whom you love, is sick!"

Asked Philip: "Lord, will you go and heal Lazarus?"

Jesus shook his head. "This sickness is not unto death," he said, "but for the glory of God, that the Son of God may be glorified by it."

And that was all Jesus said about the matter.

The disciples pulled their beards in puzzlement. Then Thomas' face brightened. "He is afraid to go!" he whispered to the others. "He knows it is dangerous to go so near Jerusalem."

"Ah! Good thing He stays here!"

strength and unity to win back the governorship his year."

A Stevenson backer, Democratic National Committeeman Gerald Heaney, said Kefauver seemed to be taking the state as a whole.

Heaney found comfort in the big turnout of votes on the Democratic side.

"It indicates," he said, "one of two things: That the people of the state are completely dissatisfied with the Eisenhower administration or that the Republicans crossed over into the Democratic party in wholesale lots to defeat the candidate they thought would be the strongest in November."

"Irrespective of how or why he got the votes, it will certainly give Sen. Kefauver a good shot in the arm."

Republicans obviously did the jumping in appreciable but unknown numbers.

Another Factor

But there was another factor in the voting, too. Some Minnesota Democrats were irked because their State Central Committee and the party leaders, Gov. Freeman and Sen. Humphrey, had endorsed Stevenson alone.

The Kefauver camp contended this was "bossism" — an attempt to deal him out of the primary and tell Democrats they could have a choice of one man only.

Seemingly, this was a selling point for the Kefauver cause around the state.

Cecil Newman, editor of two Twin City Negro newspapers and a member of Kefauver's delegate slate, said the senator "mirrored the finest traditions of American and Minnesota liberalism."

The Minnesota balloting represented the first head-on collision at the primary polls between Kefauver and Stevenson, as the former Illinois governor stayed out of the New Hampshire primary last Tuesday.

In New Hampshire's presidential primary, voters balloted twice — once in the so-called popularity contest and again to name national convention delegates. By contrast, Minnesota voters marked just one "X" on their ballots — to pick a slate of delegates pledged to the contestant of their choice.

Adlai Sends His Congratulations; 'Plans Unchanged'

CHICAGO (Wednesday) — (AP) — Adlai E. Stevenson early today congratulated Sen. Kefauver (D-Tenn.) on his upset victory in Minnesota's Democratic presidential primary.

In a statement, the former Illinois governor said:

"I congratulate Sen. Kefauver. The unprecedented vote in Minnesota overcomes any personal disappointment I might feel. I am grateful to Gov. Freeman, Sen. Humphrey and my many loyal friends in Minnesota for their confidence and support."

"My plans are not changed. In other states, where I am entered in the primaries, I will continue to express my views honestly and vigorously."

There was a moment of silence and then Jesus cried: "Lazarus, come forth!"

Sensible! they said among themselves. "It is very sad about Lazarus — we all love Lazarus — but it is much wiser to stay here and be safe!"

How little they understood, these men so close to the heart of Jesus!

Suddenly, two days later, Jesus

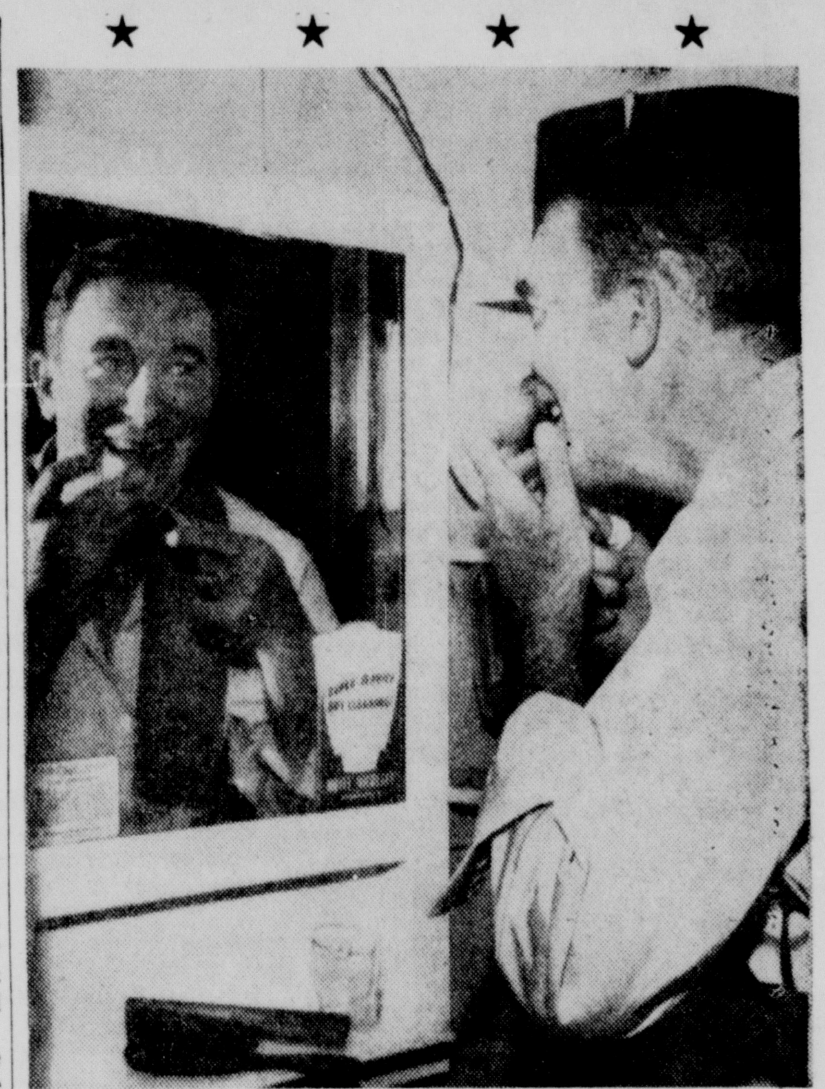

announced that He was going to Bethany.

"Why, Lord?" cried the disciples.

"The last time we went near Jerusalem you were nearly stoned to death! Why go back?"

"Lazarus, our friend, sleeps. But I go that I may awaken him."

(Continued on Page 4.)

A Happy Shaver
Sen. Estes Kefauver of Tennessee grins at himself in the mirror as he catches a quick shave while listening in Minneapolis to returns from the Minnesota presidential primary election. The figures Kefauver heard gave him a mounting lead over Adlai Stevenson in his fight for Minnesota's 30 votes in the Democratic national convention. (AP Wirephoto)

—Lexington Power Generator— Rurals Approve Plant Financing

Unanimous Nod For REA Loan
Plan Given; Negotiations Start

COLUMBUS, Neb. (AP) — Representatives of Nebraska rural electrification associations gave unanimous approval Tuesday to 100-per cent REA financing of the proposed 100,000 kilowatt Lexington, Neb., power plant to be built by the Central Nebraska Public Power and Irrigation District.

Twenty-five of the 27 rural cost-of-service customers of the Nebraska Public Power system were present at the meeting. The only two not represented were the Loup Valley and Seward rural systems.

Consumers Public Power District and the NPPS already had indicated their approval of the construction of the plant by Central District and willingness to take its power output, leaving only the approval of the REAs to be obtained.

Conference Called

Following Tuesday's vote, Central District officials went into conference with representatives of the Rural Electrification Administration to work out details of the loan to cover the entire cost of constructing the plant.

After the conference, R. O. Canada, manager of the tri-county district, said negotiations have proceeded as far as they can under the law.

The district, he said, has received enough assurance that the loan would be processed that he plans to ask the board of directors of CNPID for the nod to go ahead with construction. The plan is already on paper and Canada said it is hoped that it will be in commercial operation by June 1, 1958.

He said he "could see no obstacle" which would stand in the way of REA in granting the loan. An application has been at the administration for about two months.

Big Savings

He said if it is financed 100 per cent by REA funds at 2 per cent interest, the total cost of the plant would be \$16,140,000 and the cost of electricity would be 5.34 mills at the point of delivery.

This would be a saving of \$7,221,123 over the life of the bonds—35 years.

Ralph Forman, assistant administrator of the power division of the Rural Electrification Administration, told the group: "The eyes of the nation are on Nebraska as a public power state and REA wants to help Nebraska all it can. But the first requisite is that Nebraska get together and tell us what you want us to do."

Omaha Votes Fee For Sewer Use

OMAHA (AP)—Omaha voters Tuesday approved a sewer use fee program to bring the city's system up to date.

A special election vote unofficially showed 11,249 for the program and 7,907 against it. The city council will set the fee.

The voters also nominated 30 candidates for a city charter convention and on May 15 will elect 15 of these to study the revisions to be submitted to the voters at the November general election.

The total vote on the sewer of 19,156 would mark the election as the smallest in total vote in Omaha history.

Top runners in the city charter nominee voting were about evenly split between those favoring a "strong mayor" or city manager plan and those not as yet committed to a plan.

The 30 nominees for the charter runoff May 15, based on unofficial returns apparently were:

Harry Truitt Hiram Manville
Wray Scott Jack Cavanaugh
A. V. Sorenson Edward Owen
Louis Kavan Einar Viren
N. Phil Dodge Ken Svay
H. Fred Jacobberger Robert Epsen
N. Phil Dodge Ken Svay
Rachel Gallagher Mrs. Clarice
Thomas Quinlan Torgeron
Howard Drew Lloyd Decker
Tom O'Connor John Brady
Harold Lemar Gerald Vasek
John Maenner Mrs. G. A.
Sam Cooper Seemshaus

Mrs. Leslie Johnson Paul Cunningham

U.S. Foreign Aid Vital To Security, Congress Told

Best Answer To Russia's New Tactics

...Hoover Jr., Argues

WASHINGTON (AP)—High administration officials went to Congress Tuesday to declare that President Eisenhower's embattled foreign aid program is "vital" to free world security.

They said underdeveloped countries are in danger of succumbing to Soviet offers of economic assistance. They called the President's program "the best answer" to Russia's new tactics of enticement.

Acting Secretary of State Herbert Hoover Jr., and John B. Hollister, head of the International Cooperation Administration, argued before the House Foreign Affairs committee in behalf of the program Eisenhower outlined in a special message Monday.

The President asked Congress to appropriate nearly \$4,900,000,000 for military and economic aid abroad. This would be some \$2,200,000,000 more than was allotted last year.

2 Billion In "Pipeline" Hoover emphasized that the administration intends to continue about the same rate of spending, while putting about two billions in to a fiscal pipeline to provide needed military items in the future.

Secretary of State Dulles will be called for testimony some time after he returns Wednesday from a tour of the Middle and Far East. Meanwhile, Hoover and Hollister attempted to answer objections from many in Congress to the sharp increase sought in funds and the administration's request for authority to make long-range commitments.

Gas Tank Fumes Cause Explosion In Repair Garage

Gasoline tank fumes exploded sending flames up 20 feet to the roof of Kaar's Garage at 1821 N. causing roof damage but no injuries Tuesday night.

Employee Willard Wallace was steaming a 40 gallon auxiliary truck gas tank when fumes from some gas remaining in the tank burst into flame.

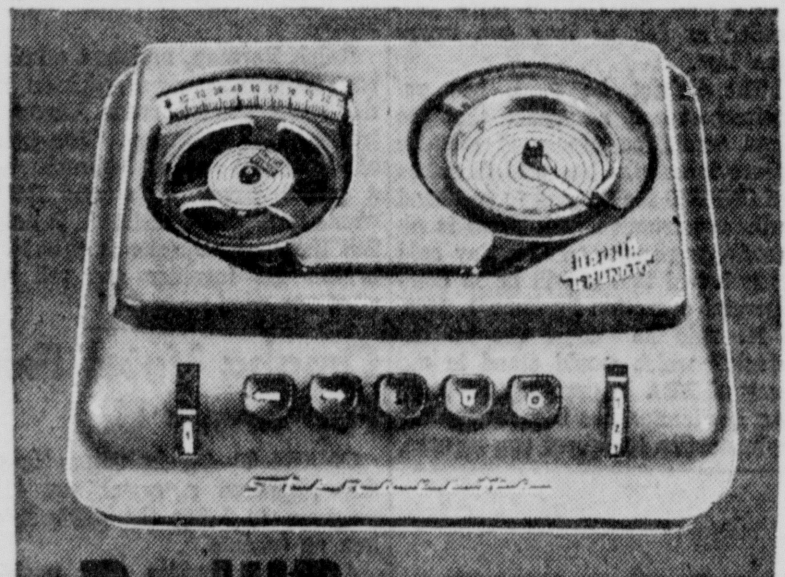

Flames leaped to a nearby burner unit and then climbed into the air.

Employees hurriedly drove an empty gas wagon containing highly explosive fumes out of the garage and turned to hand fire extinguishers. Smoke billowed from the building as firemen arrived to douse the fire before much damage could result.

Committee Meets To Pick State Mother

This committee met in Lincoln to select the Nebraska State Mother for 1956. Left to right seated: Mrs. Rex R. Gay, Grand Island; Mrs. Pehr Wagner, Norfolk; Mrs. L. M. Jensen, Omaha; Mrs. Merwyn G. Holmquist, Oakland; Mrs. L. M. Kalin, Lincoln; and Mrs. Ralph Hill, Lincoln. Left to right standing: Mrs. C. R. Caley, Clarks; Mrs. J. H. Kulakofsky, Omaha; and Mrs. L. E. Hoover, Lincoln. The recipient of the State Mother award competes with similar winners in all states for the American Mother award. The 1955 Nebraska State Mother was Mrs. M. E. Crosby, North Platte, mother of former Gov. Robert Crosby. (Star Photo.)

Church Institute Attended By 95

About 95 persons, representing 11 denominations, attended the vacation church school institute held at First Plymouth Congregational Church in Lincoln Tuesday, Selden Dickinson, who was in charge of the institute, said.

The institute is one in a series being held by the Nebraska Council of Churches to train workers for next summer's vacation church schools.

Another institute will be held in Lincoln Thursday at the Second Baptist Church, the Rev. Clifford Perron in charge.

Local Workers Cited By Area Red Cross Man

Red Cross workers in Lancaster County's rural campaign fund were commended for the progress the local chapter has made in safety services, home nursing and home services by Arthur Jones, director of fund raising for the Red Cross Midwestern Area office.

Speaking to volunteer workers, most of whom engaged in fund raising, Jones explained the various programs of the Red Cross to those he called the "men and women who raise the money to make the work possible."

Jones, a native of Lincoln and a graduate of the University of Nebraska, told of his experiences as co-ordinator of mass programs during the recent flood in Yuba City, Calif.

Jones told how the Red Cross is now giving \$3 million, as a grant, to help families who were hurt by the flood's devastation. Prior to World War II, Jones taught at Peru State Teachers College. He received his BA degree from the University of Nebraska in 1926 and his MA degree in 1935.

He spoke at a dinner meeting closing the Lancaster County Rural Fund campaign. Some 250 persons attended the dinner meeting held at the Scottish Rite Temple.

With all but two precincts reporting final tabulation showed that \$3,910.44 of the \$4,500 goal had been collected. The campaign began March 1.

Finless Rocket Will Deliver U.S. Satellite

...Cartridge-Like Missile Described

BALTIMORE (AP)—The public got its first description Tuesday of the rocket expected to roar into space and give the earth its first man-made moon. It's a skinny missile—without fins—and appears no more imposing than a huge rifle cartridge.

Sun Helps NE Dig Out

...From Blizzard

By The Associated Press
Spring's bright sunshine in the snow-stricken Northeast Tuesday offered operation dig-yourself-out a helping hand.

The new season came a day earlier than usual, on the 20th, because of the Leap Year. But it was not early enough to forestall winter's last legacy, a double-barreled weekend blizzard.

The price of the storms that smashed across the country from Ohio to Maine on Friday and on Sunday-Monday was 158 lives and hundreds of millions in lost business, interrupted payrolls and other costs.

\$150 Million Business Loss
The New York City business loss alone was estimated at 150 millions, and the cost of snow removal was put at 2½ million dollars more.

Armies of men, housewives and children bent to the task of lifting the snow siege.

But it would be days before the snow mantle disappeared.

And there was a vague threat that thaws would bring floods.

Iowa Man Elected Director Of UAW

DES MOINES — Robert W. Johnston, 40, Des Moines, is new director of region 4 of the United Auto Workers.

He won over Peter Watson, Chicago, in an election to name a successor to Pat Greathouse.

Johnston has been UAW international representative in Iowa since 1948.

Region 4 includes Iowa, Illinois and Nebraska. His headquarters will be in Chicago.

MILLION MORE SALK SHOTS ARE RELEASED

WASHINGTON (AP)—Another 1,071,000 shots of Salk polio vaccine were released Tuesday by the Public Health Service.

This made 4,404,510 doses cleared this month.

Secretary of Welfare Folsom said Sunday he expected that a record amount of vaccine would be produced this month.

Department officials said the previous high for any month was 5,935,354 net doses cleared during September.

All the vaccine released Tuesday was made by Wyeth Laboratories, Marietta, Pa.

8,500 More For Nebraska
Nebraska will receive about 8,500 shots of the newly-released shipment according to the State Health Department. Of this about 850 shots will go to the department for indigent use and the rest will be distributed to doctors through regular commercial channels.

Allen Rouse of the department's polio division said it has been taking about 7 to 10 days for shipments to come through.

Danielson Sisters Make A Hit During Symphony Performance

By RUTH ARDIS

Two young Lincoln pianists, Martha and Janet Danielson, held the spotlight Tuesday evening as student audition winners with the Lincoln Symphony Orchestra.

Playing the Poulenc Concerto for Two Pianos and Orchestra with good interpretative perception, they also displayed fine balance and timing.

The concerto is an interesting work—definitely modern, but interspersed with classical and romantic flavor. The performers seemed equally at ease with the passages of Mozartean grace and those of modern dissonance. The Danielson sisters received a real ovation from both the audience and the orchestra at the conclusion of their performance. Both pianists are students of Beth Miller Harrod.

The orchestra, under the direction of Leo Kopp, was heard in an all-French program, ranging from romantic to modern. The three works played could all be classified as program music, yet each was distinctly different.

The major orchestral work of the evening was the "Symphonie Fantastique" by Berlioz. The work calls for an especially large string section—and the performance task was almost too big for the comparatively small orchestra. Yet Mr. Kopp succeeded in conveying the mood and spirit of the work. The third movement—the Pastoral—was especially effective with the plaintive duet in the woodwinds with viola accompaniment.

The orchestra achieved some interesting effects in the modern "Overture to the Riqueries of Scapin" by Nussio. A work of this sort with its syncretized rhythms and orchestral devices has much vitality which appeals to the audience.

The perennial favorite, "The Sorcerer's Apprentice" by Dukas closed the program. It not only pleased the Tuesday morning children's concert audience, but also the evening concert-goers. It even appealed to the players themselves, as was evidenced by their spirited performance. The orchestra responded with two encores.

SAC Recognized By Proclamation

Honoring the tenth anniversary of the birth of the Strategic Air Command, Mayor Clark Jeary issued a proclamation Tuesday "in recognition of the efforts of our neighbors, the men of Lincoln Air Force Base, in giving us a 'Decade of Security Through Global Air Power.'"

According to plans released by Brig. Gen. Claude E. Putnam, 818th Air Division commander at the Base, a 5,000-man parade and review will be held Saturday morning at the base.

During the parade, which will have as honored guests Governor Victor Anderson and Mayor Clark Jeary, Mrs. Carl Deitemeyer, "Mrs. America for 1955," will christen the first B-47 that arrived at LAFB "The City of Lincoln."

In the afternoon, the clubs on the base will have programs for the families and men of the base to commemorate the anniversary. Birthday parties and dances for the military personnel and their dependents or guests will be held at all three of the base clubs during the evening.

What To Do When There's A Tornado:

It's Hot And Still . . . There's A Topsy-Turvy Cloud . . . It Turns Dark Green . . . And Head s Your Way . . .

By ELLIS RALL
Star Staff Writer

The ominous, swirling funnel-shaped cloud dipped sharply out of the sky and swathed a path of destruction across the countryside. It snatched huge trees out of the earth, buildings collapsed in its path, vehicles were picked up and tossed about.

That's a tornado—the vicious, destructive killer storm that haunts the Midwest during hot, sticky summer months.

And with the season rapidly approaching, W. R. Stevens of Lincoln, Weather Bureau meteorologist, warned Nebraskans that their best protection is knowing the tornado and how to react when one approaches.

Tornadoes, Stevens said, occur

most frequently from March through September and average about 12 a year in the Midwest. Peak activity is in May and June. Hot, humid weather, southerly winds and threatening, ominous skies, he said, indicate tornadoes are possible. Starting with thunderclouds, these usually change to dark greenish topsy-turvy clouds an hour or two before the storm. They have a bulging down appearance.

Late Afternoon
Primarily they hit between 3 and 7 p.m., but they have struck at all times. They are preceded by rain, frequently hail, and a heavy downpour happens afterwards.

In most cases the storms move from a westerly direction, usually from the southwest. They travel usually 25 to 40 miles an hour and the average width is usually around 400 yards, Stevens continued. Speeds up to 135 mph have been recorded.

The length of the path is usually from 10 to 40 miles, he added, but they have known to move for 300 miles. The swirling wind inside the tornado has been estimated as high as 500 miles an hour, he said.

Here are some simple, live-saving rules offered by the Weather Bureau.

If you are in open country and sight the funnel-shaped cloud:

1. Move at right angles to the tornado's path. Tornadoes usually move ahead at about 25 to 40 miles per hour.

2. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.

If you are in a city or town:

1. Seek inside shelter, prefer-

A TORNADO . . . twisting, spewing death and destruction.

ably in a strong reinforced building. Stay away from windows.

2. In homes: The SOUTHWEST corner of the basement usually offers greatest safety, particularly in frame homes. If no basement is available shelter should be sought in storm cellars or a ditch or depression. If time permits, electricity and fuel lines should be shut off. Doors and windows on the NORTH and EAST sides of the house may be opened to help reduce damage to the building.

3. Standing against the inside wall on a lower floor of an office building offers some protection.

If in schools:

1. In city areas if the building is reinforced, stay inside away from windows, remain near an inside wall on the lower floors. Avoid auditoriums and gymnasiums with large, poorly-supported roofs.

2. In rural schools that are usually not reinforced remove children to a ravine, ditch or storm cellar.

In factories and industrial sites a tornado lookout should be posted and when danger is imminent, employees should be moved to sheltered areas.

Troops Depart

KONSTANZ, Germany (AP) — The first of France's two crack armored divisions stationed in West Germany was reported en route to trouble-ridden Algeria.

The French Cabinet last Saturday ordered the two divisions to Algeria.

Engineer Given Speeding Ticket In Train-Car Crash Fatal To 3

A ticket for speeding was issued by Lincoln police Tuesday to the engineer of the Burlington's Denver Zephyr No. 1, which early Sunday morning struck a car at the No. 33rd street crossing, instantly killing two Lincoln young men and a Burchard, Neb., girl.

Whether or not a speeding complaint based on the ticket will be filed in court will be determined by the city prosecutor, Tom Gorham.

The ticket was given J. G. Ryason, Creston, Ia., who was engineer of the train when it struck the car containing Jerry D. Pawley, Jack R. Schlegelmilch and Yvonne E. Spier.

All three died and the car was demolished and scattered 200 feet down the right-of-way.

Speed Said 70

The police report at the time of the accident listed the train's speed at about 70 miles an hour when the collision occurred.

The ticket was issued under a 1922 ordinance limiting the speed of trains to 18 miles an hour within city limits.

The ticket given Ryason was believed the first issued under the ordinance.

The accident occurred about 30 feet inside the city at the intersection of 33rd just south of the Town & Country Motel, on Hwy. 6.

No Record Indicated

There has been no indication, reports show, that a speed tape recording on the train clocked the passenger streamliner's speed at the time of the accident.

Ryason at the time said he didn't see the Pawley car until just before the accident. According to officers investigating the accident, the Pawley car was headed north and had been waiting for an eastbound freight train to clear the tracks across the gravel road before proceeding into the path of the westbound Zephyr on the north set of the pair of tracks.

The intersection is protected with wooden crossarm signs that

warn of a double set of tracks at the intersection.

Pawley and Schlegelmilch were from Lincoln. The Spier girl, from Burchard, was a student nurse at the Omaha Methodist Hospital.

Mayor Acts

In an effort to prevent such accidents in the future, Mayor Clark Jeary has asked the Traffic Commission to appoint a sub-committee to study improved railroad crossing safety measures.

Jeary has suggested that the sub-committee invite representatives of the various roads to sit in on the meetings in an advisory capacity. The group will also give study to a practical speed limit for trains through the city.

It was previously noted by Jeary that while an automatic signal

THE LINCOLN STAR 3
Wednesday, March 21, 1956

light at the No. 33rd Street intersection would have had little, if any, effect on that accident, automatic gates might have prevented the collision.

Now...the very newest Filter Cigarette you can buy!

the Perfect Marriage

between a great NEW FILTER and a great MODERN BLEND

now just announced by

OLD GOLD FILTER KINGS

1. Never before—a filter that actually steps up flavor . . . yet is so breezy-easy on the draw you have to look at the tip to know a filter is there!

2. Never before—has this great modern blend been combined with this great filter! Smoothness, mildness, and rich, full flavor, married in the newest filter cigarette you can buy.

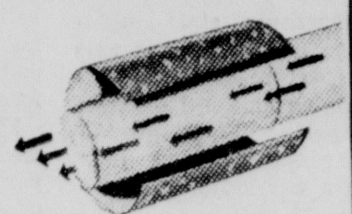

A completely new filter . . . a great modern blend of the finest nature-ripened tobaccos . . . just "made for each other". A cigarette like no other in this world.

No wonder folks say it's "out of this world!"

So . . . meet the newlyweds. See if you don't get the richest, smoothest, mildest smoke you've ever had—filtered or unfiltered!

- The smoke is cooled—as never before!
- The smoke is screened to remove flavor-marring elements—as never before!
- The taste is finer—than ever before!
- The draw is easier—than ever before!

Bringing Up Baby

MINTS COLLECTED BY Mrs. Jean Gerber (MOTHER OF 5)

One of our budget-minded mothers says: "Clear sheet plastic, by the yard, can't be beat for an inexpensive, effective means of waterproofing."

- Perfect as a play-pen liner to protect pad.
- Sensible as a waterproofer for a crib mattress.
- Good protective agent for furniture or rug when baby's visiting in the living room.
- Fine as a carriage cover if you get caught in a shower.

Something special in the way of vegetables for your wee one: Gerber Strained Garden Vegetables and Gerber Strained Creamed Spinach. The Garden Vegetables are a beautifully balanced blend of peas, carrots and spinach for an unusually pleasant taste surprise. The Creamed Spinach is made with milk to give this important vegetable a milder, more palatable flavor. Both are high in iron and vitamin-A value. Both are filtered to a pleasant-fine smoothness.

Shape of things. Sweater cuffs or sweater necks will not stretch out of shape if you stitch 'em with a few rounds of elastic thread.

Surprise element. A column-reading mother writes: "No more tears when we leave Janie with a sitter. That's because I keep a supply of dime store toys on hand, and each time the sitter comes I give her a new little surprise for Janie. Janie thinks her sitter is just about the best fairy godmother ever."

Ever hear of anyone not liking chicken? Stands to reason then that your darling will probably like Gerber Junior Chicken Noodle Dinner. It's a mouth-watering combination of delicate chicken, light, tender egg noodles, bright carrot bits and savory chicken broth—mildly seasoned for baby's enjoyment. Gerber Baby Foods, Fremont, Michigan.

Bus Fare Increase To Be Asked Again
Renewed Try For Similar Rates
May Capture City's Approval

By BILL DOBLER
Star Staff Writer

The City Council is expected to be asked again Thursday to approve an increase in bus fares by Lincoln City Lines.

It was believed that City Lines officials will present the same fare proposal to the city that was recently denied by the State Railway Commission.

This fare would be 15 cents straight as it is now or four tokens for 55 cents rather than four for 50 cents as is now charged. Also, under the proposal, fares for children, age 5 to 12, would be boosted to a straight 10 cents rather than the present two for 15 cents.

This is the same proposal that was originally outlined to the City Council in September of last year. At that time, the Council refused to support the increase and the rate hike was finally disposed of by the Railway Commission's denial last January.

It is possible, however, that the Council may take a more lenient view of the increase after the Thursday meeting between City Lines and Lincoln officials. The meeting has been requested by

company representatives.

Joseph Schleckman, manager of the local City Lines operation, said R. E. James of Chicago, vice president of National City Lines, will be in Lincoln for the Thursday affair.

According to Mayor Clark Jeary, the City Council has no rule of policy against taking a part in or supporting a proposed bus rate increase. At the time of the last request, he said, the Council simply felt the increase was not justified.

"However," said Jeary, "if the company's condition has deteriorated to the point where service may be jeopardized, then the Council may want to enter the picture."

Jeary indicated that if company officials were able to convince the Council of the need, the city would actively support another City Lines application before the Railway Commission.

In the last operational report of City Lines, a steadily declining revenue and loss of passenger load was shown. The report showed that the number of annual fares for the company has dropped an average of 700,000 per year since 1946.

Fort Robinson June Opening
Set—Minus Tourist Facilities

Preparations are being made to open the new historical museum at Fort Robinson on Sunday, June 3, but tourist accommodations will not be opened at the site until next year, it was disclosed Tuesday.

The museum will be under the management of the State Historical Department. Roger Grange Jr., curator, has been at the site since March 1.

The museum will be located in the former headquarters building, and only slight modifications were necessary to adapt the structure to museum purposes, according to Dr. James Olson, director of the State Historical Society.

The principal change was altering the electrical system to carry the heavier load, he explained.

Construction delays connected with remodeling of the barracks building and cabins for accommodation of overnight visitors led to the decision not to open the tourist facilities this year, according to

Gene Baker, supervisor of construction for the Game Commission.

The cabins, at least, might be ready toward the end of the coming season, but it would be difficult to get a concessionaire for so short a period, Baker said.

The grounds will be in better shape next year after a season of care, he added.

The cafe and bridge trails will be handled by a concessionaire. The cabins, sleeping rooms and pool will be managed by a superintendent appointed by the Game Commission.

The museum and tourist facilities will be under separate management, but there will be close cooperation, Dr. Olson said.

Details of the opening day's ceremony at the museum are being handled by the Crawford Chamber of Commerce and the Western Nebraska United Chambers of Commerce.

Funds to set the joint museum-park project in motion were appropriated by the 1955 Legislature.

County Gives OK
For Earthen Dam
South Of Sprague

Lancaster County Engineer L. W. Weaver has been instructed by the county board to prepare a resolution giving the county's approval of a U.S. Soil Conservation Service 800-foot dam south of Sprague.

The SCS had asked county approval of the flood water retardation structure which will be located 3½ miles south of Sprague.

The dam will be constructed entirely with federal funds, Ray Kubie of the SCS said. But the earth filled structure will be located about one-half mile below a county road and bridge.

Kubie said flood water would be temporarily backed up toward the road, which would not ordinarily be affected.

Weaver said he could not foresee any serious damage to the road or structure by such an event. "It's not an important road," he added.

Kubie said a 100-year frequency storm might bring flood water temporarily within one foot of the bridge floor until the excess could be carried off by overflow pipes.

Balloon Strays

LUENEBURG, Germany (AP)—A Soviet weather balloon was found in West Germany by children near the East German zone border.

It carried several meteorological instruments and a small radio transmitter, the meteorological station here said. Instructions in Russian, German and Hungarian were attached.

The Soviet government repeatedly has protested to the United States about American balloons allegedly penetrating into Soviet territory.

Oil Discoveries Focus Attention On 'Paradox Basin'

DENVER (AP) — Oil discoveries in the northwest corner of New Mexico have focused increased attention on potentialities of the Paradox Basin.

This is the so-called four corners area where the boundaries of New Mexico, Colorado, Utah and Arizona intersect.

Petroleum Information said a discovery well, No. 1 Navajo, in the Pennsylvanian formation. A test of 5,605-26 feet measured 3,203 feet of oil on the drillstem.

The first major discovery in the Paradox Basin this year was a Texas Co. well in San Juan County, Utah, with a flow of more than 1700 barrels of oil per day.

However, the basin has had its share of failure. Petroleum Information said, with 19 dry wells to nine producers last year.

The surveying service's latest weekly summary hit these high spots:

NEBRASKA — Miracle-Fifer Drilling and Gibraltar Oil had a flow of 280 barrels of oil per day at their Discovery well No. 1 Verne, in the Loverscheck Field of Banner County. The oil is from the "D" sand at 6,448-54 feet.

Gulf oil completed its No. 1 Dwight in Kimball County for 265 barrels of oil per day from the "J" sand at 6,918-22 feet. This is a confirmation of the No. 1 Balten-sperger well, completed by Murfin & Sutton and Central Oil last month.

NORTH DAKOTA — Phillips Petroleum and R. M. Ballard pumped 45 barrels of oil in the first day of testing at their No. 1 Braathen in Divide County.

A test of the Red River sand at an estimated 5,000 feet will be made by Cardinal Drilling at its No. 1 Andriux in Bottoneau County.

SOUTH DAKOTA — F. A. Ritterhaus has made location, for a Younkton County well, No. 1 Janesville Colony.

State President Of Wheatgrowers Criticizes Marshall

SIDNEY, Neb. (AP) — C. H. Kreader, president of the Nebraska Wheatgrowers Assn., said Charles Marshall, president of the Nebraska Farm Bureau, has the wrong idea of the two-price program for wheat.

Marshall last week, Kreader said, called the program one that would undercut the corn farmer's market.

Kreader asserted that isn't true because under the two-price program the price of wheat would remain above the corn loan top.

This, he said, would protect the corn grower from cheap wheat feed competition.

PIN-WORMS MAY BE A FAMILY AFFAIR

Fidgeting, nose-picking and a tormenting rectal itch are often tell-tale signs of Pin-Worms... ugly parasites that medical experts say infect one out of every three persons examined. Entire families may be victims and not know it.

To get rid of Pin-Worms, these pests must not only be killed, but killed in the large intestine where they live and multiply. That's exactly what Jayne's P-W tablets do... and here's how they do it:

First—a scientific coating carries the tablets into the bowels before they dissolve. Then—Jayne's modern, medically-approved ingredient goes right to work—kills Pin-Worms quickly and easily.

Don't take chances with this dangerous, highly contagious condition. At the first sign of Pin-Worms, ask your druggist for genuine Jayne's P-W Vermifuge... the small, easy-to-take tablets perfected by famous Dr. D. Jayne & Son, specialists in worm remedies for over 100 years.

Fair Skies In Central U.S.

The Weather Bureau forecast called for rain Wednesday for the Pacific northwest, while snow flurries were forecast for parts of Idaho, Montana and Minnesota. Showers were expected also for Michigan, Wisconsin, Iowa, Illinois, Texas, Arkansas and western Louisiana. Elsewhere the nation was to have fair to partly cloudy skies. (AP Wirephoto Map.)

Assessors In Lincoln County To Ignore 'Basic Value' Rule

NORTH PLATTE, Neb. (AP) — cutting property valuations considerably. Lincoln County assessment for 1956 will be on the same basis as in previous years, ignoring the 70 per cent "basic value" rule, the county board of commissioners decided.

This is expected to avoid a shift of the tax burden from personal property to real estate.

Crete E. Kronquist, commissioner, said the North Platte group was told the 70 per cent figure was an arbitrary guide and not law. If the 70 per cent basic figure were used instead of the present 100 per cent, it would have put actual assessment at 30 per cent.

Assessor F. F. Schriker said there will be some shift in the tax burden anyway because of the lower personal property valuations caused by drops in cattle and grain values after a dry year.

Prescriptions Donley Stahl Co. Ltd. 1331 N. ST.

State One Of Five To Show Increase In Oil Production

TULSA, Okla. (AP)—Daily average production of crude oil and condensate fell 1350 barrels to 7,153, 110 barrels during the week ended March 17, an Oil and Gas Journal survey showed.

Wyoming topped the losing states with a drop of 3,900 barrels to 280,700 barrels.

Kansas, one of only five states showing increases, gained 2,000 barrels to 342,500 barrels.

The week's output raised the Journal's estimate of 1956 production to 545,826,190 barrels, compared to 517,908,124 a year ago.

Increases were listed for Colorado, up 1,100 barrels to 157,300; Nebraska, up 1,000 to 30,900; Montana, 400 to 51,300, and Michigan, 200 to 30,000.

Weather Ahead

Extended forecast for Nebraska:

Temperatures will average near normal, with cooling at the beginning of the period, warming about Friday, and cooler again over the week-end. Normal highs

are in the low to middle 50s and normal lows range from 25 in north to 30 in southeast. Precipitation is expected to average less than .10 of an inch, occurring mainly as showers Thursday or Friday.

What's NEW in the '56 BUICK SPECIAL

NEW 322-cubic-inch V8 engine of 8:9 to 1 compression ratio—highest ever for this bedrock-priced Series

NEW Extra-Massive Frame and Precision-Balanced Chassis, engineered all new from front to rear for extra-rugged roadability

NEW Deep-Oil-Cushioned Luxury Ride—with all-coil springing and true torque-tube drive

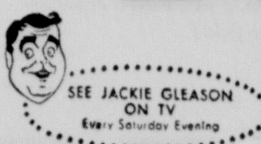

NEW Sweep-Ahead Styling—with choice of Fashion Color Harmony inside and out

NEW Smoother-Action Brakes with Center-Groove Linings and Suspended Pedal

NEW Stepped-Up Gas Mileage

NEW Interlocking Safety Latches and Safety-Aim Head Lamps

BEST BUICK YET

Buick gives you so much more pure automobile for the money.

You'll find it in the bigger thrill you get from commanding the agile might of Buick's big new 322-cubic-inch V8 engine.

You'll find it in the greater smoothness of Buick's superb new ride—in the utter serenity of Buick's new handling ease—in the bigger satisfaction of Buick size and roominess and steadiness and styling.

You'll find it, too, in the fact that here you can get the matchless smoothness of the world's most modern transmission. For, at your option, you can also have the new double-action take-off—and the extra gas-saving mileage—of Buick's advanced new Variable Pitch Dynaflo.

So, how about it? Will you come in real soon? We've got the facts and the figures—and the car—to prove everything we've told you—waiting for you.

†New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

THIS is the one that measures BIG — by any yardstick you choose . . .

BIG in solid pounds and honest inches . . .

BIG in high-compression horsepower . . .

BIG, best of all, in the way it makes small money talk.

For, this strapping beauty is the 1956 Buick SPECIAL — biggest package of high-fashion luxury and high-stepping performance ever offered in Buick's lowest-priced Series.

What that boils down to is just this:

You can call this brawny Buick your own for only a few dollars more than the price of the well-known smaller cars—for even less than some models of those very same cars. And the price we proudly print here backs up that statement.

But low price, alone, doesn't explain why Buick outsells every other car in America except the two well-known smaller ones.

The big reason, you will find, is because

MILLER & PAINE

"AT THE CROSSROADS OF LINCOLN"

Seed Corn Group Elects Millard Man

Ray Siert of Millard is new president of the Nebraska Certified Seed Corn Producers Association. Arthur Winhold, Gering, is vice president; Karl Hengen, Wahoo, treasurer, and Dean Lancaster, Lincoln, secretary.

They were elected at the annual meeting held following a Nebraska Hybrid Seed Corn Producers meeting Tuesday at the University of Nebraska College of Agriculture.

About 75 persons attended the meeting which included a talk by August Dreier, assistant agronomist, with the outstate testing service.

Tom Dove, associate professor of animal husbandry, told the group experiments have shown no evidence of toxicity to cattle fed corn treated with Arasan or Orthocide.

Warren Sals, manager of the foundation seed division, said a new hybrid, Nebraska 703, has out-yielded at least three other hybrids in extensive tests.

Nebraska 703 is recommended for southeast and south central counties for 1956 commercial plant-

ing. Merk Hobson, chemical engineering professor, discussed Nebraska's atomic energy reactor at a noon luncheon.

Other speakers were H. F. Rhoades and John Lonnquist, agronomy professors, and Harold J. Ball, assistant professor of entomology.

L. C. Chesnin, agronomy profes-

sor at the College of Agriculture, told the corn producers that recent findings show the use of 2, 4-D with trace elements is no more effective in Nebraska soils than 2, 4-D alone.

Only a few of the many trace element materials on the market are effective in the soil of this state or when applied directly to crops, he said.

Omaha May Scrap Its Controversial Provisions For Minimum Wage Scale

OMAHA (AP)—The city's minimum wage scale ordinance, which brought on a controversy that tied up half of the city's 1956 construction program, was headed for the scrap heap Tuesday.

A repeal measure was introduced in the city council and a vote set in two weeks.

Nebraska News

Talmage Plans Ice Skating, Fishing Pond

TALMAGE, Neb. — The Chamber of Commerce has purchased four acres on the north side of Talmage for a fishing and ice skating pond.

Plans call for a pond covering about two acres, with an adjoining parking area.

The state game department has indicated it will stock the pond with fish.

Farmers of the area are using their bulldozers and tractors to help with dredging.

Talmage civic organizations will landscape the grounds.

Hruska Asks For 'Watchdogs' To Cut Government Spending

WASHINGTON (AP)—Sen. Hruska (R-Neb.) wants to put a Budget Bureau watchdog in every government agency on a year-around basis to put the brakes on unnecessary spending.

This is one of the provisions of a bill he is co-sponsoring with Sen. Payne (R-Me).

The bill would implement recommendations in the Hoover Commission report on Budget and accounting.

Hruska said "it is estimated that putting these recommendations into action would save \$4 billion a year."

Hruska said the bill would remedy these two major defects of the government's accounting system: First, it "has a built-in incentive to spend — resulting from the government's attempt to pace its spending by an allotment system."

"Second, our accounting system is not geared to determine the necessity for spending each dollar. There is no agency which spends its full time searching out the merits of making each expenditure."

Ice Cream Is Topic

Dr. Lawrence K. Crowe, dairy husbandry professor at the University of Nebraska College of Agriculture, is speaking on "Causes for the Ice Cream Melt Down" and "Why Solids for Ice Cream" at the Iowa Dairy Industry meeting at Ames Wednesday.

ALL-IN-ONE
Amazing New Capsule
Discovery for **SAFE**

**EASY
REDUCING**

Helps You Take Off Pounds and Pounds of Excess Weight While You Eat All the Foods You Choose

COUNTERACTS HUNGER

FRIENDS, let me ask you a simple question:

Are you too fat because you eat too much? Like to lose fat but can't control your appetite? Are you a glutton when it comes to candy, cake, butter, gravy, potatoes? Have you spent dollar after dollar for reducing pills, yet despite everything you've tried you're still too fat?

A Capsule that Equals a Meal of Vitamins and Minerals!

A well-known scientist has perfected a new tiny capsule that combines ALL THE RECOGNIZED proven aids to reducing he found in all the advertised products offered today. It contains the concentrated proteins you've read and heard about. It combines the vitamins and minerals often lost when cutting off fattening foods containing these needed vitamins and minerals. It combines the vegetable cellulose that has no calories yet expands when it absorbs water, thereby helping to give the feeling of a full stomach. Yet these capsules contain ALL the drugless reducing aids needed to make you eat less without conscious effort. They are so packed with vitamins and minerals, protein and non-caloric filling food, they equal and exceed many a meal.

Skidding Farm Prices Have Republicans Worried In Iowa

By DOUGLAS B. CORNELL
DES MOINES — High costs and low prices for farmers are the great, burning political issue in Iowa.

President Eisenhower's health, whether Vice President Nixon will remain his political partner, foreign policy — they just don't count for much in the present stage of election year political maneuvering.

What claims the attention of the politicians is the grumbling on the farms where that tall corn grows. Because of it, some Republicans

feel a little shaky, Democrats hopeful.

Of course, they felt much the same two years ago, when farmers were complaining about much the same things. And the state went solidly Republican in the congressional and gubernatorial elections then—just as it did in 1952.

Parched By Drought

But since then parts of Iowa have been parched by two years of drought. The price of hogs, from which the state gets about 40 per cent of its farm income, has fallen farther, below the break-even point.

If fields stay dry and the price of hogs fails to go up in the seven months before the November election, enough farmers might decide to switch to the Democrats to snatch the state away from the GOP.

Right now the chances of that appear somewhat slim in this traditionally Republican State. Even on the farms, there still is plenty of "I Like Ike" sentiment.

If it lasts, it could give a lift to Republican Sen. Bourke B. Hickenlooper and Republican Gov. Leo A. Hoegh next November. Hickenlooper first has to get past a couple of opponents in the June 4 primary. So far, Hoegh has no opposition in the primary.

No Primary

The state has no presidential primary. If it did, Sen. Estes Kefauver of Tennessee might give

a shellacking to Adlai E. Stevenson in a Democratic test run.

A leading Democratic politician who favors Stevenson for president says, "Kefauver would run better in Iowa, and with the farm situation the way it is, I think he would carry the state."

A top Republican official says the GOP would find Kefauver harder to beat than Stevenson. This same official says he is confident Iowa will go for President Eisenhower again.

When you swing around the state by car, stopping to chat with all sorts of people—dirt farmers, housewives, cab drivers, business men, bankers, publishers, on up

to the governor—you find more of them than not saying they still are leaning toward Ike and the GOP.

Leaning Less

Some aren't learning as far as they once did. Some have decided to jump to the Democrats. So the Republicans can't count on as big a victory margin as they have enjoyed in the past.

Furthermore, there are some strong dissenters to the idea they will win at all. Listen, for example, to a newspaper publisher in normally Republican territory in the northwestern corner of the state:

"I do not think Ike can carry

Iowa. If the Democrats get a good man to run for governor, they'll take the state house, too. The governor—he has boosted taxes—is very unpopular."

Drought and the hog market have made the farmers unhappy, he says.

Throughout the state, bank deposits are down, loans are up. Bankers say this mirrors the

troubles of the farmer.

The big question, and it can't be answered yet, is whether the Democrats will be able to sell the voters the idea that Eisenhower is responsible for the farm problem.

Svoboda Files For 10th Dist. Legislative Seat

Frank B. Svoboda, Omaha attorney, filed Tuesday for nomination to the Legislature from the Tenth Unicameral District. He will oppose Sen. William Moulton, who has filed for re-election.

Mrs. Phyllis H. Lainsen of Hastings filed for First District delegate to the Republican National Convention.

State's Farmers Plan Least Oats Since 1942

... But Most Sorghum Since '41

The largest sorghum acreage since 1941 and the smallest oats acreage since 1942 are reflected in the 1956 planting intentions of Nebraska farmers, the State-Federal division of agricultural statistics noted Tuesday.

The report elaborated on results of the division's annual March planting intentions survey, highlights of which were announced last week.

Some Shift

At the same time, the statisticians said, the survey evidenced a reduction in total cropped acreage, "indicating some shift to more summer fallowed land and to seeded grass pastures."

Planting intentions represent only minor changes from the acreage actually planted last year, the division said.

Summary by crops:
Corn: 6,441,000 acres intended, or 4 per cent less than last year's 6,709,000 acres planted. If intentions are fulfilled, acreage would be the lowest of record, comparing with a 10-year average, 1945-54, of 7,490,000 acres.

Oats: 2,163,000 acres intended, or

5 per cent less than last year's 2,277,000 acres planted and well under the 10-year average of 2,579,000 acres.

Barley: 275,000 acres intended, 15 per cent above last year but far below the 10-year average of 420,000 acres. More winter barley than usual planted last fall.

Sorghums: 1,431,000 acres intended, or 10 per cent more than last year 1,301,000 acres. Intended acreage is the highest since 1941 when 1,503,000 acres were planted.

Soybeans: 200,000 acres intended, mostly on irrigable land, unchanged from last year.

Dry edible beans: 72,000 acres intended, compared with 76,000 last year and a 10-year average of 73,000 acres.

Sugar beets: 59,000 acres intended, up 4 per cent from last year's 56,900.

Potatoes: 19,000 acres intended, compared with 21,000 last year and a 10-year average of 44,000. Low prices have discouraged planting.

All hay: 5,619,000 acres intended, or 3 per cent less than the 5,793,000 acres harvested last year. This compares with a 10-year average of 4,832,000 acres harvested.

RECORD CORN TESTING SLATED

For the first time, Nebraska corn performance tests will be conducted this year in all four corn maturity test zones in the state, a Nebraska hybrid seed corn producers meeting was told Tuesday.

August Dreier, assistant agronomist with the outstate testing service, said there would be 16 test plots located in all parts of the state.

Each plot will test from 30 to 60 hybrids being offered for sale to farmers in the area.

M. C. Weldon, extension soil specialist at the University of Nebraska, reported that 952 co-operators have sent in soil samples for testing in connection with this year's "top corn yields program."

Extensive Panhandle Drilling Is Planned

SIDNEY, Neb. (AP) — The Wytex Oil and Development Co. said it plans to drill 50 to 60 wells in the Panhandle at a cost of around \$3,000,000. Forty of the wells will have wildcat status.

Most of the drilling will be in Cheyenne, Kimball, Banner and Morrill Counties with possible extension into Garden County.

GET YOUR **FREE** COPY OF THE INTERESTING FOLDER: **"FACTS TO HELP YOU WIN"**

Appraisal of your present car is worth \$1,000 cash bonus, if you're a new car winner. Also, car winners who buy a new Rambler, Hudson or Nash during the contest period, will get double the retail price of the car won, in place of a car.

Tune in Disneyland on ABC-TV. See TV listings for Time and Channel

IT'S EASY TO WIN! ENTER TODAY!

Just give American Motors a name for the world's most advanced car construction. So strong, so modern, so safe you get a total of **\$25,000 Personal Automobile Accident INSURANCE*** against fatal injury—divided equally between husband and wife—at No Extra Cost!

American Motors cars (above) are a single unit like modern trains and planes. Big frame box-girders make a steel enclosure as big as the car, giving true "wrap-around" protection. It's welded, twice as strong, twice as safe, twice as long-lasting.

Other cars (right) still bolt the body to a separate flat frame... the same basic construction principle used in building ox carts.

***INSURANCE DETAILS**—Husband and wife (if members of same household at time of purchase) each get insurance providing for payment of \$12,500 to beneficiary or estate of either—thus providing total of \$25,000—if either or both should be fatally injured while driving or riding (separately or together) in their new private passenger American Motors car anywhere in the world during first year of ownership, if fatality results within 100 days after accident. Applies to privately-owned new cars bought in U. S. and Alaska, where state insurance laws permit.

FUN FOR THE WHOLE FAMILY!

HOW TO WIN—In 2 to 4 years, you'll see "Big 3" announcements about a great new development. But American Motors cars have it right now—Single Unit Construction—the biggest difference in cars today. Others are racing to copy this method. That's why we will pay generously for a simple, easily remembered name we can use in our advertising to nail down once and for all the fact that we were the pioneers of the world's best car construction. Anyone of any age may enter.

The first name that pops into your mind can

be the \$25,000 winning name. A simple name (one to four words) like "Modernweld" or "Double Safe Single Unit" may win you \$25,000 cash! See your Nash dealer or your Hudson dealer for FREE Entry Blank and folder, "Facts To Help You Win", with rules for winning. Please read rules carefully, especially Rule #4 which explains how contest will be judged. In event of ties for any prize, tied contestants will be asked to write a simple 25 word statement which will be judged to break ties, if any.

Hurry, Enter Today!

STANTON DELAPLANE

POSTCARD

I note that this is National Wildlife Week. Very little wildlife has called on me, barring a few scruffy sparrows that board in my yard all year round.

It is also a national salesmen's week. And it occurs to me I haven't seen a genuine Fuller Brush man in a coon's age. Consequently, I telephoned Mr. Earl Burnett Sr. in Lincoln, Nebraska. Mr. Burnett is the founder of National Salesmen's Week.

He said the week is in its sixth year and is going great guns.

"How did you happen to start the week?" I asked.

"Well, it was just an idea that appeared to me. We had a week honoring nearly every kind of activity. Why not the motive power that makes America tick — its sales force?"

"How is the response?" "We've been featured across the country in hundreds of ways. Kaiser Aluminum has featured it in a daily reminder calendar they put out. The only one they featured in color.

"The Pyramid News published by Pyramid Life Insurance Co. of Kansas City came in yesterday. They featured it on their cover."

"What is your business, Mr. Burnett?"

Mr. Burnett said he sold real estate and insurance.

"Did you put this week together single-handed?"

"Yes, I did. I registered it with the Department of Commerce. It's a nonprofit organization. For me, anyway, I've spent a lot of money on it."

"The main idea is to call atten-

tion to the importance of the field. I believe if we didn't have a sales force we'd slip back to the Middle Ages. You have to merchandise services. They won't sell themselves. There is no substitute for personal salesmanship and never will be."

I looked out the window in search of wildlife. But there was nothing around but the sparrows, laughing and cutting up touches and scoffing the grass seed.

The sparrows have an expensive taste for goodies. When I put out this grass seed, I put out some cheap bird seed, too. The sparrows should dine on low-cost fodder and let my grass alone.

I got on the telephone and called Mr. H. M. Boone, the Fuller Brush branch manager for Northern California.

"I never see a Fuller Brush man," I said wistfully. "True, I do not have the shock of curly locks that once was the talk of bridge clubs from Piccadilly to the Giza. Nonetheless, I don't think you should cut me off short."

Mr. Boone said that was truly odd. Because salesmanship was the very heart of the Fuller Brush industry.

"We now have 250 salesmen who work directly to the home. Sales are up by 35 per cent. Perhaps the salesman in your area has not reached your residence."

"I haven't seen one since last year's robin."

"The man who calls on you will have been thoroughly trained and screened. You can depend on him."

"Can I depend on him to grow hair on me?"

"All the resources of Fuller Brush are at your service," said Mr. Boone.

I just thought the salesmen would like to know. That I am sitting here amidst the wildlife, honoring them this week. Come over any time, gents. Everybody says I'm a pushover for a sales talk. I buy anything. (McNaught Syndicate, Inc.)

10th Wildcat Oil Well Discovery Reported

SIDNEY, Neb. (AP) — Shell Oil reported its 10th wildcat oil well discovery of 1956, the Horn No. 1 in the Banner County Redington area. In Cheyenne County, Ohio reported an oil in the Sparrow No. 6 and Novotny and New Drilling Co., reported another in the Rudolph No. 2.

"I never saw anything like it!"

Why Be Fat?

Lose weight this quick, easy way

"If you want a slim figure, I recommend the easy AYDS Plan!" ... says

Mona Freeman

Clinic proves Ayds best and safest in tests on 240 overweight women and men!

Not only can you take Mona's word for it—but a well-known New England clinic tested four different reducing methods, and proved what Mona found out herself: that AYDS users lose almost twice as many pounds. Besides, only those who used AYDS had no unpleasant "side effects!"

Now, if you take AYDS before meals, as directed, you'll be able to eat all you want. There's no starvation dieting—no gnawing

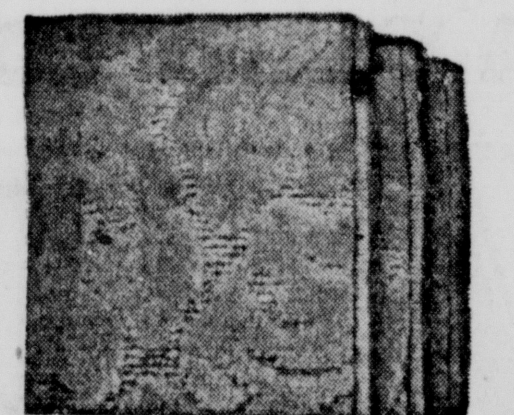

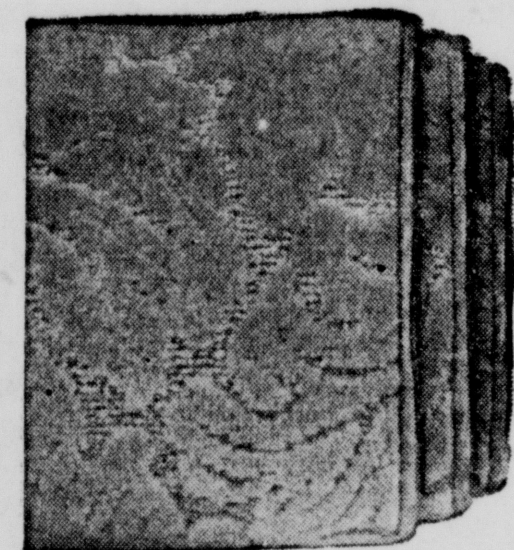

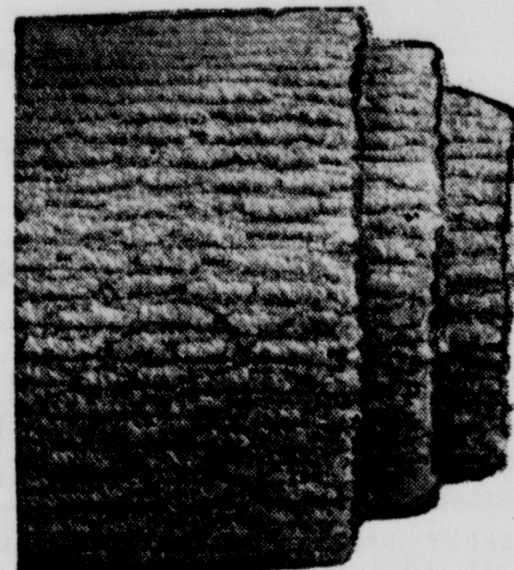

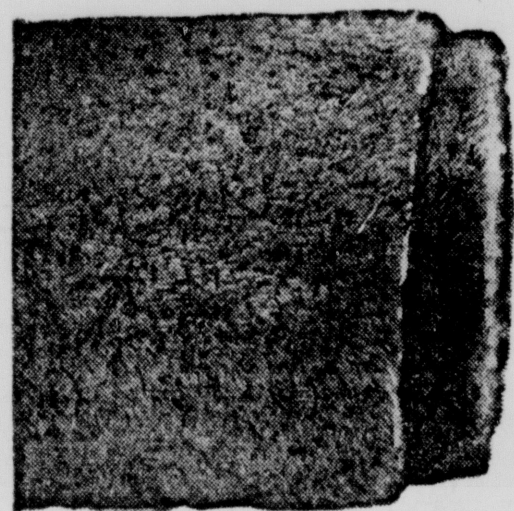

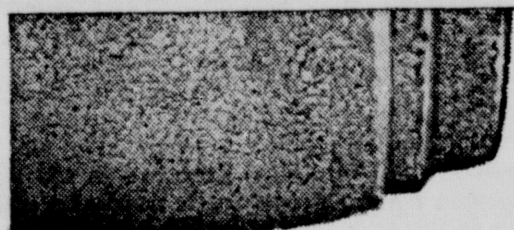

hunger pangs. AYDS is a delicious candy, containing vitamins and minerals, that curbs your appetite. You automatically eat less—lose weight normally, safely, quickly. The AYDS Plan is guaranteed. You must lose weight with your first box (.298), or your money back.

Take Ayds...first aid for overweight!

Funds For Salk Shots, Satellite Get Tentative Approval By House

WASHINGTON (AP)—The House Tuesday tentatively approved a \$795,768,823 catch-all appropriation bill including new funds for polio vaccinations and financing of a man-made earth satellite.

The lawmakers shouted approval of the supplemental measure but deferred a formal roll-call vote on passage until Wednesday.

The action at least tacitly endorsed the recommendation of the House Appropriations Committee that the Tennessee Valley Authority be allowed to use 1 1/2 million dollars of its own funds to start building a new generating unit at the John Sevier steam plant.

No funds were included for the TVA. The committee, in rejecting a request for new cash, stipulated that the agency use its own revenues for the project. Republican committee members had opposed the stipulation on the ground that the law prohibits use of TVA revenues for new projects.

Since the committee's recommendation was embodied in a formal report and was not mentioned in the bill itself, opponents had no opportunity to offer an amendment expressing their position.

The bill provides \$27,800,000 to finance antipolio programs administered by the states, 185 million dollars for veterans' adjustment benefits, \$34,900,000 for payments

GOVERNOR EXPECTED TO CHOOSE FROM 4 MEN FOR AIR BOARD JOB

By ARCH DONOVAN
Star Staff Writer

Gov. Victor Anderson, Tuesday indicated he expected to name a new director of aeronautics and secretary of the aeronautics commission later this week.

It appeared to be one of the

Judge Ronin To Run Again

Lancaster County Judge Herbert A. Ronin has filed for re-election to the office he has held since 1952.

Judge Ronin served one year of an unexpired term by appointment before being elected to a full term. Previously he had been chief deputy county attorney from 1947 to 1952.

His filing for a second term ended wide speculation that the jurist might seek election this year to the District Court bench. All four District judgeships are being sought by incumbents.

A University of Nebraska law graduate in 1934, Judge Ronin is president of the Nebraska County Judges Association, past president of the Lincoln Bar, active in Masonic circles, and a World War II veteran.

Ronin

36 Boys, Leader Honored By Court At St. Teresa's

John Byington, 13, son of Mr. and Mrs. Don Overton, received Boy Scouting's highest honor, the Eagle Scout Award, at a Court of Honor Monday of Troop 28 at St. Teresa's Church.

Awards to 36 boys and Scoutmaster John B. Love were presented by Leo Hill, president of the Cornhusker Council of the Boy Scouts. Receiving recognition were:

Life Scout: Larry Rogers.
Star Scout: John Gordon, Larry Rice and Brian Roessler.
First Class Scout: Jerry Hoff, John Curran, John C. Love, Ronald Messineo, James C. Love, Michael Alessio and James Hussey.
Second Class Scout: Robert Overton, David Minick and James DeMars.
Tenderfoot Scout: Tom McGovern, Paul Witt, Robert Pavlas, Joseph Miller, Michael Laughlin, Joseph Carroll and Patrick Batoch.
Den Chief cords: Fred Trumble, John Curran, Brian Roessler, James Hussey, Gary Brobst, Larry Rogers and Gary Champoux.

Merit Badges:
James Hussey, John Curran, Ronald Messineo, John Lahti, Michael Alessio, Fred Trumble, James C. Love, Pat Barrett, John C. Love, Perry Demma, Jerry Hoff, Robert Avey, John Gordon, Connie Scanlon, Michael Brown, Brian Roessler, Gary Brobst, John Barrett, James Kelly, Robert Terricker, Larry Rice, Scoutmaster Love.

Two NU Symposia On Psychology Set

The first of two yearly symposia on "Current Theory and Research in Motivation" will be held Thursday and Friday at the University of Nebraska.

The meetings, made possible by a grant from the U.S. Public Health Service, are being sponsored for the fourth year by the Department of Psychology.

Speakers and their papers will be: Prof. Frank Beach, Yale University, "Experimental Studies of Sexual Motivation;" Prof. Melvin Marx, University of Missouri, "Some Relationships Between Drive and Frustration;" and Prof. John P. Seward, University of California at Los Angeles, "A Neurological Approach to Motivation."

Each will be given a half day for presentation of his paper followed by a discussion period. The last half day will be devoted to a general discussion led by the panel of speakers.

Precincts Begin NFO Organization

Precinct organization of Lancaster County farmers seeking to form National Farm Organization units have begun rolling with several precincts holding organizational meetings.

Albert Francke of Walton, temporary chairman in the county, reported that Nemaha precinct near Bennet has signed about 50 members.

Five or six other precincts met Monday evening, but as yet have not reported, he said. Two have scheduled Thursday meetings and another will organize next Monday. There are 24 precincts in the county to organize.

When all are organized, Francke explained, a county-wide meeting will be held to form the county NFO unit. He hopes to hold that meeting in about two weeks.

Girl, 14, Thrown From Horse, Sues

A \$10,315 personal injury suit has been filed in Lancaster District Court by Phyllis Abbink through her father, Cecil Abbink of Lincoln, against Floyd H. Shreve, doing business as Shreve Pioneer Stables.

The 14-year-old girl alleges she was thrown by a horse owned by the defendant and injured last July 20.

She alleges the defendant represented the horse as being of "gentle disposition" after she told him she was an inexperienced rider.

Damages sought include \$10,000 for injuries, \$200 for medical expenses, and \$115 for loss of wages.

Soviets Included

SANTIAGO, Chile (AP)—A Soviet group was among a score of national delegations which gathered here for the eighth world congress on wine and vineyard culture.

Chile has had no diplomatic or commercial relations with the Soviet Union for many years.

Envoy Drowned

BOGOTA, Colombia (AP)—Nimuro Takata, in charge of the Japanese legation here, drowned last weekend on a fishing expedition, it was learned. Daniel Taffina Jr., son of the diplomat's host, perished while trying to rescue Takata.

Varied Programs For PTA Units

Miss Grace McMichael of the juvenile division of the Lincoln Police Department was the guest speaker at the meeting of the Bancroft PTA on Tuesday afternoon. Miss McMichael spoke on the topic: "Children's Respect for the Rights and Properties of Others."

During a brief business meeting plans for the bake sale to be held at the Huskerville Food Center were discussed. The proceeds from the sale will be used for school equipment. Afternoon kindergarten mothers were the social hour hostesses.

Mrs. Reginald Davies, vice president of Meadowlane Parents Group, presided at a meeting of the members on Tuesday afternoon at the school. Following a business meeting Mrs. Davies introduced Mrs. Doris Pierce of the city recreation department who spoke on the recreational facilities for Lincoln children.

The members of Riley PTA

Exhibits Shell Hobby

One of the features at the meeting of the Hartley PTA on Tuesday afternoon was the display of hobbies by 12 Hartley school children. In the picture we find James Dick, aged 12, explaining his very fine collection of shells to Miss Eleanor Swanson (left) Hartley principal, and his mother, Mrs. William Dick.

A Matter Of Safety

Not only are the members of Elliott PTA interested in the matter of safety for the school children — the children themselves have made it a paramount concern.

One of the safety projects of the school which makes every child safety conscious, is the large map of the entire Elliott area. Here every intersection—every street that must be crossed—is shown, and in the picture we find three Elliott pupils pin-pointing the bad crossings, and suggesting that walking an extra block to and from school may often eliminate hazardous intersections.

held election of officers at the Tuesday afternoon meeting. The group met for a covered dish luncheon at the school, and following the luncheon the new officers for the coming year were named as follows:

Mrs. William Jones, president; Mrs. Donald Hipple, first vice president; Mrs. Max Chittenden, second vice president; Mrs. John Hobbs, third vice president; Mrs. Sophia Larsen, secretary, and Mrs. Doyle Free, treasurer.

In keeping with the main program topic of the afternoon, "Working Together for Civil Defense," a film from the state office of Civil Defense was shown with Austin Bacon, director, the narrator.

Dr. Janet Palmer was the guest speaker at the meeting of the Belmont PTA on Tuesday afternoon, and her topic was "Stop Annoying Your Children." Following Dr. Palmer's talk there was a business meeting during which a report from the nominating committee was given.

The second grade mothers, with Mrs. Roland Owen and Mrs. Edward Walter as co-chairmen, had charge of the social hour.

Tuesday was a busy day for the members of Randolph PTA. The members of the executive committee held a morning meeting, and the evening was devoted to a general meeting at which the following officers were elected:

Mrs. Ethel Long, honorary president; Mr. and Mrs. Oliver Scherer, president; Mr. and Mrs. Howard Spahnle, first vice president; Mr. and Mrs. Emil Hahn, second vice president; Mrs. Ralph B. Nelson, recording secretary; Mr. and Mrs. Ray Hoyer, corresponding secretary; Mr. and Mrs. Kenneth King, treasurer; Mrs. Frank Andrus Jr. and Mrs. Don Reardon, council delegates.

Named as delegates to the convention of the Nebraska Congress of Parents and Teachers, to be held in Fremont in April, were Mrs. Ethel Long, Mrs. Frank Andrus Jr., Mrs. Oliver Scherer and Mrs. Emil Hahn.

During the evening Life Memberships were presented to Mrs. Frank Andrus Jr., Mrs. Evelyn Solomon, a member of the Randolph faculty; Ellis Dann and Louis Kochis. An honorary recognition was given to Mrs. Grace W. Carlyle for her donation to the building fund of the National Congress of Parents and Teachers.

The guest speaker of the evening was Dr. Garnet Larson of the University of Nebraska graduate school of social workers. Dr. Larson spoke on "The Family."

"Safety" was the major point stressed at the meeting of the Elliott PTA when the members met at the school on Tuesday evening. The program featured a panel discussion on the matter of safety, with the Rev. Melvin

To Be Hostess At Luncheon

Mrs. E. J. Ruppert will be hostess to the members of the Lincoln Druggists' Wives Friday afternoon at her home, 4231 B. Following a 1 o'clock luncheon, the group will hold a short business meeting and spend the remainder of the afternoon informally.

Assisting Mrs. Ruppert as hostess will be Mrs. K. P. Kubitschek.

Tassler as moderator. Participating in the panel discussion were Capt. Clinton Hurd, Gifford D. Mullins, Miss Vida Beck, Mrs. William Amen and Mrs. Robert Stewart.

Mrs. Ralph Johnson gave the devotions, and during the business meeting, at which Mrs. Ray Abernathy presided, Mrs. Don Johnson, treasurer, presented a check from the unit to Miss Eunice Preston, principal, for the Elliott Activities fund. Also at the business meeting a report from the nominating committee was made by Mrs. William Hallstead.

Mrs. George Sorenson, vice president, was in charge of the program, and door hostesses were Mrs. Philip Kelly and Mrs. Sorenson.

Tuesday evening was Fathers night at the meeting of the College View PTA. Richard Putney was the general chairman; Stanley Hawley, president; R. G. Hollingsworth, secretary; and James Exon, treasurer.

Following a report by the nominating committee Robert Crosby spoke to the group on the part fathers should play in the field of education.

During the social hour, Don Hansen, George Eager, Clem Thoman, W. E. Dardin, S. D. Durfee, J. B. Dresselhaus, Cecil Carlson, Merle Multer, and Floyd Logan served as hosts.

In addition to the election of new officers the members of the Hartley PTA were entertained at an unusual exhibit when the group met Tuesday afternoon at the school. The program, which was in charge of Mrs. Rex Knowles, Mrs. C. R. Porter and Mrs. Wesley Antes, included a display of hobbies by 12 Hartley students. Those exhibiting were Bobby Thompson, Linda Street, Linda Deinert, Robert Liebman, Judy Larsen, James Dick, Deanna Huber, Leslie DeBoer, Linda Miles, Martha Porter, Sherry Sanford and Phillip Crieley.

Mrs. Edgar Hoyt presided at the business meeting during which the following new officers were elected:

President, Mrs. Robert Kollman; vice-president, Mrs. N. F. Huber; secretary, Mrs. George Metcalf, and treasurer, Mrs. Lynn Wells. Mr. and Mrs. E. Schultz, Jr., were named auditors.

Hostesses for the social hour which completed the meeting were Mrs. Glen Lowrey, Mrs. G. T. Bool and Mrs. R. E. Markel.

Madam Chairman

MORNING
Girl Scouts of America, all day meeting, Hotel Cornhusker.
Officers Wives, 307th Squadron, 9:45 o'clock coffee, Chef.

AFTERNOON
Havelock YWCA, monthly coffee, style show, Havelock Center, 2 o'clock.

Officers Wives, 818th Air Division and Air Base Group, luncheon, Twin Pines, 12:30 o'clock.

Officers Wives, 343rd Squadron, Games Day, 12:30 o'clock, home of Mrs. Vernon Todd, 3315 So. 14th.

Child Guidance Center board, 12:30 o'clock luncheon, Hotel Cornhusker.

LAFB Dependents Assistance course, 2 o'clock, National Bank of Commerce Conference room.

EVENING
Mrs. Jaycees, swim group, 8:15 o'clock, YWCA pool.
Lincoln Tops Club, 7:30 o'clock, YWCA.
Lincoln Hard of Hearing Club, 6:30 o'clock dinner, YMCA.
Mortar Board Alumnae, 8 o'clock, home of Mrs. Clifford H. Jin, 2110 A St.
Live Y'sers, 6 o'clock dinner, YWCA.
Committee meeting, Everett Junior High School, 7:30 o'clock.

TALK OF THE TOWN

THE LINCOLN STAR

WEDNESDAY MORNING, MARCH 21

Good Morning--For News

IT'S a bit early to predict what to expect on the outside — but on the inside it's a good morning — for news — As you may have noticed we have an engagement that will be of interest to town and campus circles — And just now we learned that Mr. and Mrs. W. D. Douglas honored their son and his fiancée, who also is their house guest, when they were host and hostess at an open house on Tuesday evening when they entertained at their home.

THINGS bridal bring to mind

DAC Luncheon On Saturday

The Daughters of the American Colonists in Nebraska will hold their annual State Assembly at the Athletic Club in Omaha on Saturday, March 24. The members of the state executive board will meet at 11 o'clock after which there will be a luncheon for all members. Mrs. Isabel McOmber, State Regent, will preside at the business meeting during which new officers will be elected.

Attending the meeting from Lincoln will be Mrs. J. E. Arter, Regent of the Hannah Dustin Chapter; Mrs. B. K. Worrall, Mrs. C. C. McCartney, Miss Edith Callender, Miss Ruth Callender, Miss Jeanette Speelman and Miss Jessie Robertson.

Auxiliary Will Meet

The members of the Lincoln Food Retailers Auxiliary, will meet for a 1 o'clock luncheon on Thursday at the home of Mrs. Leon Adelson, 6129 Everett St.

The assisting hostesses will be Mrs. N. E. Bernstein, Mrs. Duane Kushner and Mrs. Joe Schrier.

Miss Marion Whitworth who becomes the bride of Russel Young on April 7 — We are told that on Saturday morning Mrs. Robert Stephens and her daughter, Miss Barbara Stephens, will compliment the soon-to-be bride when they entertain at a coffee at their home. The guest list will include the close friends of Miss Whitworth and her mother, Mrs. A. A. Whitworth.

AND on Saturday evening Mr. and Mrs. W. W. Cook of Beatrice, and their son-in-law and daughter, Mr. and Mrs. Robert Fricke of Ashland, will honor Miss Whitworth and Mr. Young when they entertain at dinner at the University Club. The guest list will include members of the families.

SOMEONE told us that Mr. and Mrs. James Allard and their children, James and Mary Anna, accompanied by Mrs. Allard's mother, Mrs. Neil B. Dieterich, are off and away on a trip south — They plan to spend

some time at Cartersville and Atlanta, Ga.

THERE'S nothing like a just-for-fun party to brighten up a dull morning — So if the clouds are gray instead of blue on Thursday morning it will make no difference to the group of guests Mrs. James Critchfield has invited for coffee at her home — just for fun.

BACK in town are Mr. and Mrs. O. M. Anderson who have just returned from Chicago where Mr. Anderson attended the National Candy and Tobacco convention.

THERE'S always plenty of activity when the Omaha Club Squash team comes to Lincoln — or vice versa — And Saturday is one of the vice versa affairs — The University Club Squash team goes to Omaha to play the Omaha team, and since the festivities are well known to all and sundry, the wives are going to share the fun.

Planning to attend from Lincoln are Mr. and Mrs. Craig O'Brien, Mr. and Mrs. William Gold, II, Mr. and Mrs. Jack Stewart, Mr. and Mrs. Burton Folsom, Mr. and Mrs. Fred M. Sides, Mr. and Mrs. Richard P. Russell and Mr. and Mrs. Donald Pegler, Jr.

The members of the team and their wives who will not attend include Mr. and Mrs. Harry Meginnis, Mr. and Mrs. Robert Reynolds, Mr. and Mrs. John Mason, Mr. and Mrs. William Ammon and Mr. and Mrs. Ted O'Shea.

HAVE some news from the west coast that will be of interest to Lincoln friends of Mr. and Mrs. Paul Cannell of San Francisco — Mr. and Mrs. Cannell have a new granddaughter, Katherine Stevenson Cannell, who arrived on Thursday, March 6. The baby is the daughter of Mr. and Mrs. Roger Cannell of Palo Alto, Calif., and she has a great-grandmother, Mrs. W. D. Cannell, and a great-aunt, Miss Margaret Cannell, who reside in Lincoln.

Interesting Betrothal

An interesting announcement is made this morning by Dr. and Mrs. H. J. Curran of Sleepy Eye, Minn., who reveal the betrothal of their daughter, Kathleen, to William Dean Douglas Jr., son of Mr. and Mrs. William D. Douglas of Lincoln.

No wedding date has been named.

Miss Curran is a graduate of Loretto Heights College, Denver, and now is a member of the Denver public schools faculty.

Mr. Douglas, who recently completed a two-year tour of duty as a lieutenant in the army, is a graduate of the University of Nebraska College of Engineering, and is a member of Sigma Nu fraternity.

Cantata

The 50-voice choir composed of patients at the State Mental Hospital presented a special Easter Cantata Tuesday evening.

The cantata, "The Message of the Cross," was written by J. Sheldon Cross.

The Rev. James Larson, assistant chaplain at the hospital, served as reader, and the choir was directed by Mrs. Fred Stevens, Red Cross Gray Lady. Accompanying the choir were the director of the hospital music department, Mrs. Illar Sirks, organist, and Mrs. Elden Hitz, pianist.

Also assisting at the program were the following Red Cross Gray Ladies, Mrs. Cecil Vanderzee, Mrs. C. S. Quick, Mrs. Loren Nelson and Mrs. O. S. Hitchins.

BSP Chapter Has Election

The members of Xi Beta Chapter of Beta Sigma Phi elected new officers at their regular March meeting. The officers for the coming year will be Miss Cora Knott, president; Miss Mildred Burris, vice president; Mrs. Myron Julian, recording secretary; Mrs. Florence Frost, corresponding secretary; and Mrs. H. C. Pratt.

Following the business meeting, Miss Florence Brugger, chief of social service at the Veterans Hospital, presented a short program. The guests for the evening were Miss Marjorie Speidel, Mrs. Freda Larson, Mrs. D. E. Smith, Miss Cecelia Heller, and Miss Evalyn McNulty.

Why your family will love Plymouth... the only really new low-price car

You get the newest driving ease: Only Plymouth offers you magic Push-Button Driving. It's the safest (children can't reach it), easiest (like ringing a doorbell), surest (works through a positive mechanical connection) driving control ever devised. Try it and see what we mean!

You get the newest styling: Just compare Plymouth's bold jet-age lines with the same-as-last-year appearance of the other two low-price

cars. Plymouth is really new—and Plymouth is biggest of the low-price 3, inside and outside.

You get the newest safety features: No other low-price car gives you so many safety features as standard equipment—like 2-cylinder front brakes, SafeGuard door latches, electric windshield wipers, Safety-Rim wheels.

And you get the biggest deal: Record sales enable Plymouth dealers to give you a bigger,

better, money-saving deal. See your Plymouth dealer now and learn how easily your family can own the one really new car of the low-price 3.

PLYMOUTH COSTS LESS

From the day you buy it... through all the years you own it... you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined!

Convince Yourself....

Cattlemen Say They Like Meat Promotion Plan

... 19-State Meeting Gets Underway

OMAHA (AP)—Cattlemen arriving in Omaha for a governors conference Wednesday on a proposed self-help meat promotion program were enthusiastic over the prospect.

"We as cattlemen appreciate what you're trying to do. We're glad to get some help," Jay Taylor of Amarillo, Tex., told Governor Victor Anderson of Nebraska and Leo Hoegh of Iowa, sponsors of the conference. Taylor is a representative of the National Beef Council.

The two governors will present a plan to representatives of 19 livestock producing states for creation of a nationwide education, advertising and promotion plan to boost sales of meat products. It would be administered by a national meat council and some money would go to existing meat promotional organizations.

The plan would be financed by deductions from the sale price of livestock at the market place. Gov. Anderson emphasized that it would be voluntary — any producer who did not want to participate might ask for the return of his contribution. The suggested deduction is 10 cents per head on cattle, 5 cents on hogs and 2 cents on sheep.

Don Short of Medora, N. D., president of the National Beef Council said his state has used a similar plan since last October and "to date auction markets have had as many requests for the return of those funds as you can count on the fingers of your two hands."

Several other cattlemen present at a news conference called by the governors indicated the approval.

Governors Hall of Kansas and Foss of South Dakota will be present for the meeting. Representatives of Illinois, Missouri, Minnesota, Wisconsin, Indiana, Ohio, Kentucky, Wyoming, Idaho, Utah, Montana, Tennessee, Oklahoma and Colorado also will attend.

Gov. Anderson reiterated that any plan of this sort must be voluntary. "We don't want to push anything on them (the producers)," he said.

Hoegh said it's "not a governor's program, not a politician's program. It's primarily a farmers' program."

He said a 10 per cent increase in

livestock marketings would create an effective demand and "then we'll buy all your cattle from Tex." Gov. Anderson said a \$3 to \$5 increase in the price of livestock would cause "very little increase in the cost of living." Taylor commented that the cattle producers have "cut down everything we can ... we're losing money" and added that more prosperity for the livestock producer would surely be felt in increase demand for the things the producer buys.

Wednesday's meeting will be a discussion of the plan and if the reaction is favorable, steps may be taken to go directly to Congress to ask for permissive legislation. Then the governors said, groups within the several states could make their feelings known to their congressmen.

Speedier action would be possible this way than to wait until all the states organize before asking the congressional aid.

Ex-Scouts' Fraternity Elects Gilbert Thomas

Gilbert Thomas of Lincoln has been elected president of the University of Nebraska chapter of Alpha Phi Omega, national service fraternity composed of former Boy Scouts.

He succeeds Wade Dorland of Humboldt who is the new sergeant-at-arms.

Other new officers are William Klostermeyer of Grand Island, first vice president; George Rogers of Lincoln, second vice president; Jack Conrad of Osceola, recording secretary, and Jimmie Hedgepeth of Rockport, Mo., corresponding secretary.

Aldous Huxley Weds Miss Rachera, Violinist

YUMA, Ariz. (AP)—British novelist Aldous Huxley slipped into this desert town and was married to Miss Laura Rachera, a concert violinist.

Huxley, who has been married once before, and Miss Rachera listed their homes as in Los Angeles. She is 40, and an Italian citizen.

Huxley, 61, is best known as the author of "Brave New World," a look into the world of the future as changed by science.

Man, 46, Is First Arrest Under New 'Long Knife' Law

A 46-year-old Lincoln man Tuesday became the first object of a complaint under the city's recently passed ordinance prohibiting the carrying of knives with blades over three inches long.

The charge was levied against Andrew Lawson, 724 No. 22nd. He was arrested by police in the downtown area during the night.

Lawson was charged with carrying a knife with a blade longer than law permits. He was also charged with intoxication.

Lawson pleaded innocent to both charges and was placed under \$50 bond for trial on March 23.

Cadwallader Plans Return To Lincoln

Charles N. Cadwallader of 2627 N., who has been recovering from a severe head concussion received in a fall in his Tucson, Ariz., vacation-home, is expected to arrive in Lincoln sometime early Friday, members of his immediate family said Tuesday.

He was expected to leave Tucson by train late Tuesday. The family planned to drive to Topeka, Kan., with an ambulance to meet him. He will return in the ambulance.

According to the family in Lincoln, Cadwallader's condition is "very much improved."

Northeast High Practices For 'Brigadoon'

Shown above (left to right) are Ted Dewey, Darlene Hoels and Burdette Thrapp practicing for Northeast High School production of the hit Broadway musical "Brigadoon." Sitting on the floor is Mrs. Dale Snook, director of the show, which was written by Frederick Loewe and Alan J. Lerner. (Star Photo.)

Airmen Waive Preliminary; Face Charges

Two Lincoln Air Force Base airmen were scheduled to appear Wednesday in U.S. District Court after waiving preliminary hearing before U.S. Commissioner John McCarthy at Grand Island on a complaint of taking government property, according to Assistant U.S. District Attorney Dean Wallace.

Wallace said the appearance of A-1C Bert R. Shehi, 22, from Bristow, Okla., and A-1C Sherman D. Barton of New York, N.Y., before Judge John W. Delehant would be for purposes of securing appointment of counsel in the matter.

The two airmen are being held in federal custody in lieu of furnishing appearance bonds of \$1,000 each, Wallace said.

The federal complaint alleges that the two airmen took 2,200 pounds of lead from a hangar at the Lincoln Air Base. The 70-pound lead "pigs," worth about 18 cents a pound, are used in balancing planes.

Wallace said 350 pounds of lead were sold to a salvage dealer at Aurora. The springs of a 1955 model automobile were broken in hauling the lead, the attorney said.

Wallace said the charge is converting government property to private use. The airmen were apprehended by the Hamilton County sheriff at Aurora.

To Visit Spain

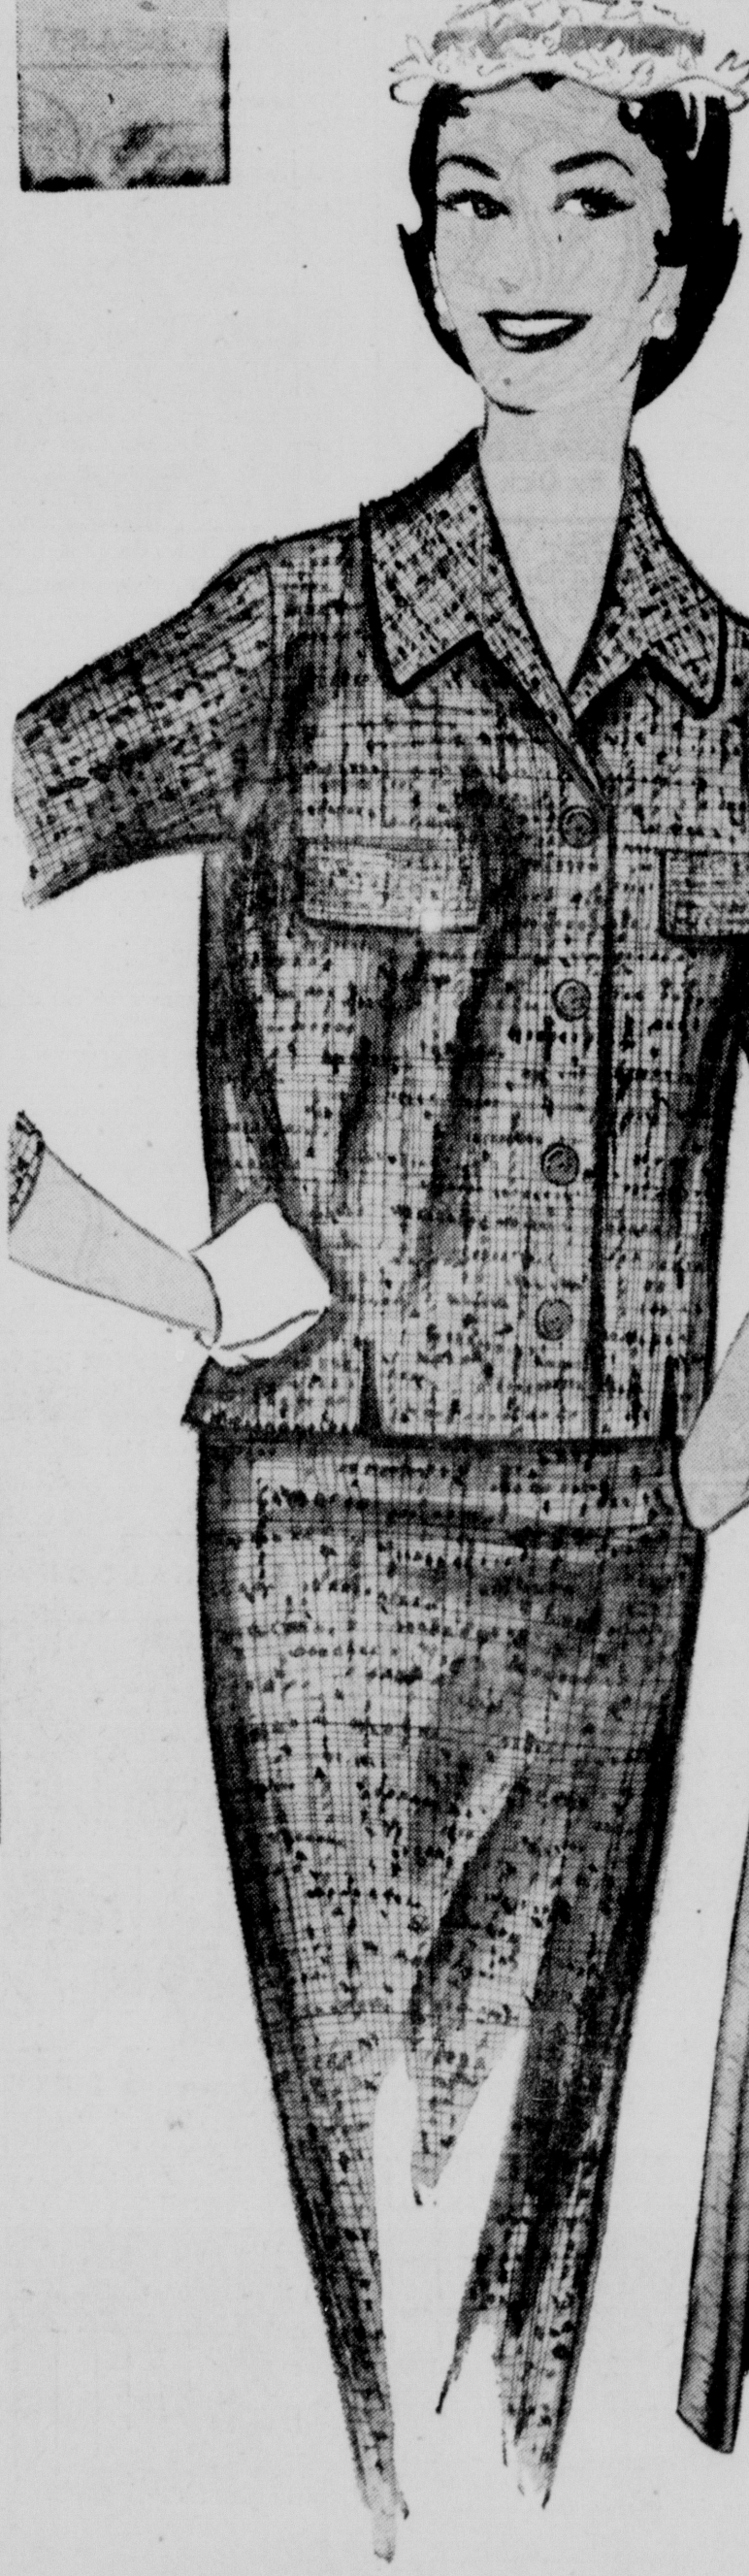

RABAT, French Morocco (AP)—Sultan Mohammed ben Youssef will visit Spain for talks with members of the Spanish government soon, the information minister said.

The Sultan recently visited France for the start of negotiations that are expected to lead to independence for French Morocco, but with continued ties with France.

Farmhouse Buried

ORTONA, Italy (AP)—A great landslide of clay, after a spring thaw, buried a farmhouse and blocked a main east-west highway. No one was injured.

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add three. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Power To Soothe?

OKLAHOMA CITY (AP) — Oklahoma City policemen may deal more leniently with wrong-doers in the future. Officers now are being soothed by soft music which is being piped into Police Headquarters.

LAS CRUCES, N.M. (P) — Firemen rushed to the scene of a reported blaze with sirens screaming. A new type fire thereafter was entered on the books. The blaze, set by a group of prankish youngsters, was in an old icebox.

GRAND RAPIDS, Mich. (AP)—Police are looking for a frustrated burglar who:

1. Broke into a supply company, knocked the dial from the safe, but couldn't open it.
2. Broke into office next door, but couldn't force open the metal cash box.

3. Broke into a nearby service station and rifled the cigarette machine of a few packs of smokes and some coins.

Officers also want him in con-

nection with a junk yard burglary. The thief never even made it into a building there.

COLORADO SPRINGS, Colo. (U-P) Developers of a subdivision struck hot water when they drilled wells for a domestic water supply. The water, which comes to the surface at 122 degrees, will be used to supply a swimming pool and baths. The hot water well, first in the Pikes Peak region, was drilled to 4,000 feet. The developers said they may cool the water for the domestic supply.

MEXICO, Mo. (P) — Sixteen typewriters and two adding machines were missing from a room at the Missouri Military Academy, and a large glass in a door to the room had been broken. Police took fingerprints and made casts of footprints and a tire tracks outside. Sixty-five cadets were questioned. Then someone found the missing machines in another room. The typewriters had been placed there for safekeeping after the door glass had been broken with a baseball the day before.

'How Far, How Fast?'

Lincoln High track coach Harold Scott (right) might be asking Andy Matison (left) how far he expects to toss the shot this year, or how fast George

Porter (second from left) and Dean Sell will run their pet events. Matison put the shot more than 49 feet last year and is hoping to crack the 50-foot barrier this spring. Porter is the

standout miler for the Links, and a former state prep cross-country champion. Sell is a three-sport athlete who is aiming for the state quarter-mile title this year. (Star photo)

Iowa Club Still 'Irked' Over Failure Last Year

By JERRY LISKA
EVANSTON, Ill. (AP)—Iowa's Big 10 champion Hawkeyes will be a team with a "mission" in the National Collegiate Athletic Assn. basketball final round Thursday and Friday nights.

Besides Iowa, the surviving quartet of the original 25-team NCAA field includes San Francisco, Temple and Southern Methodist.

The all-senior Iowa club of Coach Bucky O'Connor still is irked over its "failure" to get past the semifinals in last season's NCAA meet at Kansas City. "I think that defeat by LaSalle (76-73) in last year's semifinals has rankled in my boys' minds ever since," said O'Connor after the Hawkeyes won their NCAA regional Saturday by thumping Kentucky, 89-77.

"And when they got trimmed by Colorado, 75-54, in last year's consolation game for third place, they felt they really let down Iowa fans."

"The gang remembered Kansas City all this season."

O'Connor thus implied that the Hawkeyes are determined to get the shot at San Francisco's fabulous Dons this year they missed last year.

First, of course, San Francisco must hurdle Southern Methodist and Iowa must march past Temple's dangerous Owls in Thursday night's semifinals at Northwestern University's McGraw Field House.

LaSalle, whose Eastern role this year is portrayed by Temple, yielded to San Francisco, 77-63, in last year's title game.

While big Bill Russell, the Dons' phenomenal 6-10 center, performed in his unbelievable goal-tending style, it really was K. C. Jones who ruined LaSalle.

Jones held LaSalle's All-American Tom Gola without a field goal for 21 minutes and himself scored 24 points to lead both teams.

Russell will be here this weekend, but Jones won't. The brilliant guard was ineligible for NCAA tournament play. Despite his absence, the Dons whipped UCLA and Utah

to run their history-making victory string to 53, including 27 triumphs this season.

Of the four semifinalists, a direct comparison can only be made between Iowa and Southern Methodist. The Hawkeyes last Dec. 9 tamed the touring Mustangs, 80-62, but it was a travel-weary SMU which appeared at Iowa City.

Any other comparison probably should be pegged on the final AP national poll which was headed by San Francisco, with Iowa finishing No. 4, SMU No. 7 and Temple No. 15.

Akins Favored In 10-Rounder

ST. LOUIS (AP)—Virgil (Honeybear) Akins, who has had a habit of missing his big chance to move toward a shot at the welterweight title, gets another opportunity with a 10-round fight against Hector Constance tonight.

Akins is a good boxer and a good hitter, but often has lacked fire.

Constance, of the British island of Trinidad, ranks several notches below the sixth-ranked Akins of St. Louis, but he's a good boxer and fast.

In 1952 Akins fought Johnny Saxton, now welterweight champion, and had Saxton on the floor before losing the decision. Akins was outwitted then, still in the lightweight class.

Some of those watching Constance in training believe he will be too fast for the local lad.

Globetrotters 'Pressed' By Halftime Show

By RON GIBSON
Star Sports Staff Member
You can't say the Harlem Globetrotters don't have tough competition.

Basketballwise, the clowning Negro team has no problems. The Trotters have no trouble beating their traveling companions, the Hawaiian Surf Riders, with monotonous regularity.

The Trotters beat their opponents 70-63 before 2,200 fans at Nebraska Wesleyan's Taylor Gym Tuesday night. They did this while performing their full routine of basketball magic.

But you can't say the competition isn't tough. The Globetrotters' aim is entertainment, and they have to compete for applause with several popular circus acts which travel with the basketball team.

The capacity crowd at Taylor went for the sideshow trimmings in a big way. They liked Ray Wilbert, a handy man with his set of rolling hoops; Elimar, a classy juggler; Jimmy and Yvonne Garner, trapeze artists; The Habana Trio, a group of hand-balancing acrobats; Gene Ezio, an accordionist; and the Farias Duo, which consisted of two-thirds of the Habana Trio.

They liked the Trotters too—especially the slapsticking Chico Burrell and the clever dribbler, Honey Taylor. Burrell used a yo-yo type basketball on a string, palmed the ball, and kept up a running fire of humorous patter.

Chico got laughs when he borrowed a fire-engine red cap from Brian Etheridge, 6-foot 6-inch Lincoln High sophomore center who was a front-row spectator.

The mustachioed Burrell found time to score 26 points, most of them on unorthodox hook shots. Chico just flipped the ball over his shoulder without looking. Jack Davidson and Ron Kim had to eye the basket, but they got 16 and 17 points for the Surf Riders.

The crowd included 30 children from Whitehall, who attended the game free. Transportation was arranged by the Capital City Kiwanis Club.

Red Berry Too Cagey For DiBiase

Wild Red Berry, rattle veteran of nearly every mat in the country, had too much ring savvy for husky Mike DiBiase at the Fairgrounds Arena Tuesday night.

The California crowd-pleaser—after passing autographed pictures and his special "red-berry candy" to the fans—pinned Mike in 5:30 for the first fall, using a head flipper.

DiBiase, a former Cornhusker footballer, evened the match in the second fall. He applied a crushing back-breaker to the Redhead and pinned him in 10:33.

Both rasters battled bitterly in the deciding third fall. But Wild Red won the fall and the match when he used a scissors shoulder pin with 10:29 gone.

Scraping after the final bell cost Holland champion Fritz Von Elm the first match of the night. After a rowdy 23 minutes of mat action with Steve McGill, Von Elm was awarded the match by disqualification when McGill used some ring tactics the referee didn't care for.

But the pair refused to stop fighting so the ref disqualified both and declared it a no-decision match.

In the semifinal match Joe Dusek, subbing for Danny Plechas, softened opponent Red McIntyre with a knee blow to the stomach to win the first fall. McIntyre pinned Dusek in 14:05 in the second fall with a body slam, but he never regained his breath from the vicious blow to the stomach and Dusek won the match with a knee drop and body pin in the third fall.

Flader's 283 Tops Pistol Club Shoot

Floyd Flader registered 283 points Tuesday night to win the Lincoln Pistol Club shoot.

Flader edged Welty by four points. Welty scored 279. Six of the firers were above the 260 mark.

The results:
Flader 283
Welty 279
Scarborough 279
Hayes 268
Demolo 268

Chiefs Begin Training Today

Hurlers Please Skipper In Intra-Camp Battles

By DON BRYANT
Sports Editor, The Star

Lincoln Manager Larry Shepard begins assembling his players Wednesday as the Chiefs' 1956 spring training season gets under way at the Pittsburgh farm camp at Huntsville, Tex.

Contacted by phone Tuesday night, Shepard said full-scale workouts wouldn't begin until Thursday.

"The fellows will spend most of Wednesday checking in," he said. "So we won't get down to business until Thursday."

Among the early Lincoln reporters at the Country Campus training camp were Outfielder Earl Smith, who pastimed here for a short spell last summer; and Pitchers George Witt, another Lincoln vet, Don Rowe and Andy Olsen, both newcomers.

Shepard was particularly pleased with the pitching trio's work Tuesday. All have been in camp for a short time and they took part in some intra-camp games Tuesday.

"Witt looked good during the two innings he pitched," Larry said. "And both Rowe and Olsen were very good."

"In fact, Rowe looked very, very good—a real fine for this early. He had excellent control and good stuff. And he fanned five in three innings."

Then Shepard reminded that "of course, the pitchers are quite a bit ahead of the batters at this stage."

Rowe won 15 and lost 17 for Waco of the Class B Big State League last year and he won the strikeout title with 226 whiffs in 256 innings on the hill.

According to Shepard, the weather in Huntsville is clear, but a southeast wind has made it a cold spot. Last season the Chiefs were hampered part of the time by rain.

The routine for the duration of the Chiefs' training period will be followed in the Pirate camp, Larry said.

This means lectures from 9 a.m. to 9:30 a.m., field demonstration of lecture points and hitting practice until noon, lunch on the field and intra-camp games during the afternoon.

Totten Named To Kick Off Ticket Drive

Hal Totten, president of the Three-I League, will be the keynote speaker at the kickoff breakfast for the Lincoln Chiefs' pre-season ticket drive, slated for April 4 at the Cornhusker Hotel.

Jim Ebel, drive co-ordinator, made the announcement Tuesday.

The duet campaign—April 4-5-6—again will be spearheaded by local service clubs. Last year 40,000 tickets were sold in three days and the 1956 goal is 50,000.

Totten, a former radio announcer and newspaperman, is a colorful baseball figure and is well-known for his schedule-making abilities. He drew up the 1956 Western League schedule—several, in fact, to cover all possibilities when the league was searching for an eighth member.

Huffman Is Traded

WINNIPEG (AP)—Dick Huffman, a former member of the Los Angeles Rams, was traded by Winnipeg of the Interprovincial Football Union (Canadian) to Calgary Tuesday for Tom Miner, a place-kicking end.

No cash was involved. Winnipeg gave Calgary the right to two players picked up in the Canadian college draft.

Huffman, who played tackle at the University of Tennessee, joined Winnipeg in 1951 over the protests of the Los Angeles Rams of the National Football League, who took the matter to the courts. Miner, 23, joined Calgary in 1954 after graduating from the University of Tulsa.

Cardinals Halt Yanks Win Streak

ST. PETERSBURG, Fla. (AP)—The five-game winning streak of the New York Yankees was stopped Tuesday when the St. Louis Cardinals edged them, 3-2, on an unearned run.

Johnny Kucks, starter and loser for the Yanks, made two errors which helped the Redbirds score.

St. Louis (N) 100 011 000—3 8 0
New York (A) 001 001 000—2 5 3
Arroyo, Jackson (5), Jones (9) and Sarni; Kucks, R. Coleman (7) and Berra, Blanchard (4), W. Arroyo, L. Kucks.
Home run—New York, Mantle.

Flader's 283 Tops Pistol Club Shoot

Floyd Flader registered 283 points Tuesday night to win the Lincoln Pistol Club shoot.

Flader edged Welty by four points. Welty scored 279. Six of the firers were above the 260 mark.

Medal Play Slated For State Golf

July 9-15 Probable Dates For LCC Meet

OMAHA (AP)—For the first time since it began in 1905, the Nebraska Amateur Golf Championship this season will be a medal-play event.

A meeting of the state's professional golfers has decided to make the switch from match play on the basis of a poll of Nebraska Golf Assn. members.

The tournament this year probably will be held the week of July 9-15 at the Lincoln Country Club.

Not Definite
Definite dates were not set pending final arrangements for the 72-hole tourney.

Ralph (Bud) Williamson and William (Bunny) Richards of Lincoln, Bill Schuchart of Omaha and John Schumacher of Nebraska City, executive secretary of the Nebraska PGA and the Nebraska Golf Assn., were named as a committee to work out details.

The new setup is on a one-year basis.

The tournament this summer will begin a second rotation of the meet. It will be at the Omaha Country Club in 1957, at Lincoln Hillcrest in 1958, at Omaha Happy Hollow in 1959 and the Omaha Highland Country Club in 1960. The Beatrice Country Club may enter the rotation in 1961.

The NPGA directors also went on record against Calcutta pools in connection with all tournaments in the state.

Henry Williams of Highland was named president of the group, succeeding George Getchell of Omaha. Bill Schuchart of Omaha is vice president and Bud Williamson of Lincoln Country Club secretary. Matt Zadalis of Omaha is treasurer.

Phillies Get 11 Hits, Maul Senators, 7-1

ORLANDO, Fla. (AP)—The Philadelphia Phillies mauled Al Curtis and Pedro Ramos for 11 hits, including a 420-foot homer by Stan Lopata, to defeat the Washington Senators 7-1 Tuesday.

Bob Miller, 40-year-old Max Lanier and Angelo LiPetri held the Senators to six hits, with Clint Courtney getting three of them.

Lanier, trying a comeback after a two-year layoff, yielded the Senators' only run in the sixth inning when Jim Lemon walked, center fielder Glen Gorbous dropped Harmon Killebrew's fly for a two-base error, and Courtney singled. Lanier pitched two innings and gave up two hits.

Ted Kazanski contributed a double and two singles to the Phillies' attack.
Philadelphia (N) 002 100 112—7 11 2
Washington (A) 000 000 100—1 6 2
Miller, Lanier (3), LiPetri (3) and Lonnell; Burk (6), Curtis, Ramos (4) and Courtney; W. Miller, L. Curtis.
Home run—Philadelphia, Lopata.

NU Grid Drills Hit Fundamentals

By DON BRYANT
Sports Editor, The Star

Fundamentals again were the order of the day on the University of Nebraska spring football practice lot Tuesday.

And the second day, as the first, featured "agility drills."

Coach Pete Elliott took time out Tuesday to chat about the purpose of his "agility" stunts.

"The best way to explain an agility drill is to say that it helps develop a player's movement and reaction," Pete said. "A player must be in a good position to make the right moves in football and these drills are designed to make him more proficient in maintaining a good position."

Pete also said, "We won't stop these drills when spring practice is over. We'll do them in fall camp and all through the season. They may look hard now, but as the players improve they'll look easier."

Elliott indicated he was pleased with the way the squad was working.

"It's very hard to tell how much improvement has been made in such a short time, but we're happy with the way the boys are going at it," he said. "The fellows have worked real hard on what we're trying to teach."

Several lineup changes were made Tuesday, but Elliott said this did not necessarily mean promotions.

"We're shuffling the boys around so we can get a look at all of them," he said. "However, when we begin to work more on team play, we'll concentrate more on the boys who show up the best while trying to bring the others along as fast as possible."

Backfield changes of note included the jump of left halfback Bennie Dillard from fifth to the No. 1 lineup; and Quarterback Roy Stinnett and Left Half Roger Krhounek's listing in the No. 2 slots.

"Dillard showed us a lot of speed the first day and we want to get a good look at him," Pete said. He also listed Krhounek as "one of the fastest backs."

A newcomer to the squad Tuesday was Ray Christiansen of Des Moines.

Pitcher Nordberg OKs Chief Contract

The Lincoln Chiefs Tuesday signed veteran pitcher Bill Nordberg to a contract.

Nordberg, 28 years old and a five-year veteran of Class A baseball, lists Mansfield, Mass., as his home. He was a star pitcher for Springfield, Mass., College.

In 1955 Nordberg had a 12-11 record with the Chiefs. His 3.58 earned run average was second only to that of Dick Hall, who led the league.

The sandy-thatched Nordberg pitched 171 innings in 1955, walking only 47 batters and striking out 67. He started 20 games, finished 14.

POINT BLANK

By Don Bryant
Sports Editor, The Star

Western League notes of interest:
Amarillo, one of the loop's new entries, may be short of playing talent at the moment, but there's no lack of interest.

In fact, one Texas baseball enthusiast is taking a two-week vacation to help Gold Sox Manager Chuck Stevens during spring training at Balpost, Tex. Theodore A. G. (Teddy) Clawitter, currently manager of the Amarillo VFW Hall, is donating his services as a coach.

Clawitter is a baseball veteran and somewhat of an Amarillo hero. He played on the club's 1948 West Texas-New Mexico League pennant winner and then managed the 1952 championship club.

The Gold Sox opened spring drills Monday with only about 15 players on hand. Help is expected to come from Sacramento of the Pacific Coast League before too long.

Red McQuillan, former Lincoln player and manager who skippered part of the 1955 season at Amarillo and Lubbock, Tex., has signed as a playing manager for Syracuse of the Class A Eastern League. Syracuse has a full-working agreement with the Detroit Tigers.

Topeka, another new WL member, will also train at Balpost, starting later this week. Hawk Manager Buddy Bates is due in camp Wednesday.

Meanwhile, back home, the Hawks are planning to spend \$6,000 to improve their park's lighting system.

Topeka's nucleus this year will probably come from the 12 players guaranteed by the American Association in the deal which let Wichita jump to Triple A.

But the Hawks are picking up some outside help, too.

Latest acquisition is Joe Waters, a 26-year-old free agent. Waters had a 24-8 record for Paris in the Big State League in 1952 and chucked for Oakland and Hollywood of the Pacific Coast League in 1953, posting a 5-12 record in 40 games.

Ex-WL Prexy Ed Johnson, now governor of Colorado, is adding radio to his many other interests.

He's retiring from public office next January and has acquired an interest in Denver radio station KTLN. Others in on the deal are Bob Howsam, president of the Denver Bears and Johnson's son-in-law, Sen. Burton K. Wheeler of Montana and the latter's sons.

Despite Lincoln's cellar finish in the 1955 WL race, the Chiefs won their share of individual championships.

President O'Neal Hobbs' office reports Lincoln players won five "titles."

They include: Most games, Warren Goodrich, 151; most times at bat, Goodrich, 605; most doubles, Frank Rice, 41; most hit batsman, Ted Adkins, 12; and best ERA, Dick Hall, 2.24.

Other winners were: Most runs, Willie Kirkland of Sioux City, 117; most hits, Clarence Moore of Pueblo, 194; most total bases, Kirkland, 315; most triples, Moore, 12; most homers, Kirkland, 40; most sacrifice hits, Billy Springfield of Wichita, 21; most sacrifice flies, Bobby McKee of Des Moines, 10; most stolen bases, Springfield, 46; most walks, Dave Cunningham of Des Moines, 104; most RBIs, Ron Cooper of Colorado Springs, 117; most strikeouts, Cooper, 114; top batting average, Sam Hairston of Colorado Springs, .350.

And speaking of Hairston, there's a chance he may return to the Sky Sox fold even though he isn't on the spring roster.

Manager Jack Conway may request the Chicago White Sox farm chiefs to send him out west again, providing of course, the good-natured catcher isn't slated for a higher berth in the White Sox chain.

Top Miler Is Shelved By Court

NEW YORK (AP) — Wes Santee, America's No. 1 miler, was shelved again Tuesday.

Justice Walter A. Lynch of the New York State Supreme Court refused to continue a temporary injunction Santee had obtained against the Amateur Athletic Union which banned the AAU from enforcing its lifetime suspension on him.

Justice Lynch reserved decision on Santee's plea to have the injunction made permanent. He did not say when he would announce it.

That means that unless Justice Lynch reaches a favorable decision for Santee by Saturday, the lean Marine Corps lieutenant will not run in the Chicago Daily News Relays this Saturday.

Santee obtained a temporary injunction shortly after the AAU suspended him on Feb. 19 on charges of accepting excessive expenses in meets last year. The Appellate Division turned down an AAU appeal on the injunction a few days later. Then Santee obtained a stay of the injunction until the trial.

That made it three legal victories in three tries for Santee in his running battle with the AAU. Tuesday, however, was all the AAU's.

AU Attorney Louis Nizer told Judge Lynch the stay covered only the start of the trial and not the eventual outcome. The jurist agreed.

Earlier, Justice Lynch threw out one section of Santee's complaint against the AAU which charged its expense rules were "dead letter." That action saved AAU officials from being forced to take the witness stand and giving detailed accounts of their financial dealings with athletes.

Santee's attorney, Charles P. Grimes, had indicated he wished to cross-examine members of the AAU concerning the question of expenses. Reports circulated, too, that several former track stars had volunteered to take the stand for Santee.

Grimes asked Justice Lynch for an adjournment because he was "entirely unprepared at this time" to proceed on the money situation. He said he would need time to gather records to support his charge that the AAU by custom waived its expense rules.

Rhodes Leads 9-5 Giants' Victory

PHOENIX, Ariz. (AP) — Dusty Rhodes smashed two home runs and a double Tuesday to help the New York Giants snap a four-game losing streak with a 9-5 victory over the Baltimore Orioles.

The Giants collected a total of 12 hits off four Baltimore pitchers with rookie Rhinold Duren, who worked the first four innings, being charged with the defeat.

Al Worthington and Johnny McCall divided the pitching for the Giants. Worthington, going the first five innings, blanked the Orioles on three hits and received credit for the victory.

Dorchester Royalty

Alvin Kaspar and Alvina Kalkwarf were crowned king and queen of Dorchester High School's all-sports banquet Tuesday night. Kaspar is the son of Mr. and Mrs. Henry Kaspar and Alvina is the daughter of Mr.

and Mrs. Alvin Kalkwarf. Both are seniors. More than 75 persons attended the banquet at which Elvin Papik, Doane College football and track coach, was the speaker. (Star Staff Photo.)

Indoor Meet First Test For Bellevue

BELLEVUE — Bellevue High, 1955 Ak-Sar-Ben Conference track champion, gets an early start this year by competing in the Omaha University indoor meet March 24.

Last year Bellevue finished fifth in the OU meet and won the Bellevue Relays, Auburn Relays, Tarkio Tri-State meet, all its dual and triangular meets, the Ak-Sar-Ben Conference meet and the district meet. Bellevue was eighth in Class B in the state meet.

The Bellevue squad was hard hit by graduation. Then ace sprinter Tom Garland and top quarter-miler Rich Metschke moved away.

Gentle Homers In Brooks' Win

MIAMI (AP) — The world champion Brooklyn Dodgers made it three in a row by shelling the Detroit Tigers 3-2 before 2,000 chilled fans Tuesday night.

A home by Jim Gentile, rookie first baseman in his last game with the varsity before joining the "B" squad, featured Brooklyn's nine-hit attack on Bob Miller and Joe Presko.

However, the three runs off Miller, who allowed four hits in five innings, were unearned. Presko gave up five hits and as many runs in three.

Home run—Brooklyn, Gentile.

Wesleyan U. Opens 13-Meet Track, Field Slate Tonight

The Nebraska Wesleyan University track and field squad will launch a 13-meet schedule when they vie against Wayne State, South Dakota University and Omaha University in the Omaha University fieldhouse tonight.

Coach Woody Greeno, Wesleyan's freshman mentor, will field a 28-man squad containing only five lettermen, as he seeks to build up the N.W.U. track program.

"I feel that our strength lies in the races from the 220 through the 2-mile," Greeno said on the eve of his initial meet. "There are only two seniors on the squad and while we have some outstanding freshman talent, the newcomers still have to prove themselves against college competition."

Much of the success of this year's club may rest in performances from speedy Cliff Kahl, senior sprinter who sat out most of last season with a leg injury.

Greeno will also depend heavily on Loren Eigenberg, junior middle-distance man, and Lefty Hixson, a Class B half mile champion in high school two seasons back. Dale Lemon, junior hurdler who was a state gold medal winner in high school, has also joined the Wesleyan squad after enrolling at the Lincoln school at the end of the first semester.

Greeno plans to run select members of his crew in the South Dakota University Invitational, the Kansas Relays, Doane Relays, Sioux City Relays and Dakota Relays, in addition to an assortment of dual and triangular get-togethers.

A roster of participants:
Dawson, VanCleave, Lincoln senior, weights; Cliff Kahl, Big Springs senior, sprints; Loren Eigenberg, Fairbury junior, 440 and 880; Lefty Hixson, Lincoln junior, 880; Jim Byrd, Washington, D. C. junior, sprints; Jack Wilfang, Lincoln junior, weights; Walden McNaught, Polk junior, middle distances; Paul Horner, Friend junior, hurdles; Dale Lemon, Lincoln junior, hurdles; Dick Keller, Harvard junior, hurdles; Leroy Wiloughby, Potter sophomore, hurdles; Hubert Pethoud, Beatrice freshman, hurdles.

Bill Worthley, Alliance freshman, middle distances; Marvin Ruchman, Gilmer freshman, hurdles; Bob Eversmeyer, Beaver Crossing freshman, hurdles; Randall Kellams, Valley freshman, distances; Jerry Ford, Waverly freshman, distances; Denton Kandler, David City freshman, weights and high jump; Bill McNaught, Polk freshman, pole vault; Larry Cook, Chester freshman, weights; Lynn Benson, Auburn freshman, pole vault.

Lowell Umland, Eagle freshman, weights; Tom Reader, Kimball sophomore, distances; George Straight, Lincoln freshman, distances; Tex Harvey, Uta freshman, middle distances and Dick Heald, Lincoln sophomore, javelin.

The schedule:
March 21—Wayne, South Dakota Uni., Omaha Uni. and Wesleyan at Omaha. (In-door).
March 22—Northwest Missouri State at Maryville, Mo.
April 7—South Dakota Uni. Invitational at Vermillion.
April 13—Hastings College at Hastings.
April 17—Omaha University, Wesleyan, Doane at Omaha.
April 21—Kansas Relays at Lawrence, Kas.
April 27—Wesleyan Invitational (Wayne, Hastings, South Dakota University and Wesleyan) at Lincoln.

May 1—Doane Relays, Afternoon and evening.
May 4—Sioux City Relays at Sioux City, S. D.
May 5—Dakota Relays at Sioux Falls, S. D.
May 10—Wayne Invitational at Wayne, Mo.
May 18—Nebraska College Conference championships, Doane College, Crete.
May 23—N.A.A.U. meet at Kearney.

9-Game Grid Slate
OMAHA (AP)—The University of Omaha will play five home football games and four away this year.

The home games and dates are Washburn Sept. 29, St. Ambrose Oct. 6, Bradley Oct. 20, Wayne Nov. 3, New Mexico A. and M. Nov. 10.

Games away and dates are Emporia State Sept. 15, Morningside Sept. 22, Idaho State Oct. 13, Northern Illinois Oct. 27.

The undefeated volleyball girls team and the high school basketball teams will be guests.

Redlegs Win Over Pittsburgh, 10-3

TAMPA, Fla. (AP) — The Cincinnati Redlegs rapped out 13 hits Tuesday, taking their second straight exhibition game against the Pittsburgh Pirates 10-3.

The Reds scored seven times in the third inning including triples by Frank Robinson and Bob Thurman, the latter's coming with two men on.

The Reds added their final two runs in the sixth on Gus Bell's second exhibition homer.

The Pirates made nine hits off Tom Acker and Rudy Minarcin, one of them a homer by rookie John Powers with none on.

The victory was the sixth in 11 games for the Redlegs, while the defeat was the sixth in 11 starts for Pittsburgh.

Acker took the victory, while Fred Green was charged with the defeat.

Athletics Rally, Trip Braves 7-5

BRADENTON, Fla. (AP) — The Kansas City Athletics rallied for three runs in the bottom of the ninth inning Tuesday to hand the Milwaukee Braves their third exhibition loss in a row, 7-5.

Glen Cox, second of three A's pitchers, was credited with the victory. He needed help in the ninth from Frank Butschky, who held the Braves hitless.

Humberto Robinson, middle man among the Braves' mound trio, was charged with the loss. He gave up five hits in two innings.

Milwaukee's exhibition record now is 6-4-1. Kansas City is even at 5-5.

Kansas City (AP) — 001 002 013—7 12 0

Cubs Win 14-7 Over Cleveland

TUCSON, Ariz. (AP) — The Chicago Cubs beat the Cleveland Indians 14-7 Tuesday, scoring 10 runs in the last four innings while Bob Thorpe held the Tribe scoreless.

It was the Cubs' second straight exhibition victory over the Indians.

Jim Busby's three-run homer off Chicago starter Bob Rush in the fifth inning gave the Indians a 7-4 lead.

But Thorpe came on in the sixth to set the Indians down while the Cubs were scoring five runs off Art Houtteman and five more off Ray Narleski.

Cleveland (AP) — 202 005 023—11 15 1
Chicago (NY) — 110 030 000—7 9 1
Rush, Thorpe (6) and Hannan, Panning (7); Wynn, Houtteman (4), Narleski (7) and Narason, W-Rush, L-Houtteman.
Home runs—Chicago, Black, Sauter, Winiacki, Moryn, Cleveland, Busby.

Negroes' Car-Pool During Bus Boycott Described

MONTGOMERY, Ala. (AP)—A Negro leader told Tuesday how a smooth-running motor pool provides transportation for bus-boycotting Negroes protesting racial segregation.

Other witnesses testified that a newly organized Montgomery Improvement Assn., which came into being the day the boycott started last Dec. 5, arranged for the car pool and has paid for gasoline and other expenses of the drivers.

The testimony highlighted the second day of the trial of the Rev. Martin Luther King Jr., first of 90 Negroes brought to trial on boycotting charges.

'Conspiracy' Charge

King is president of the Improvement Assn., and the state is endeavoring to link him to a "conspiracy" to hinder the operation of the racially segregated Montgomery City Lines Inc., a privately operated company which has a franchise for city bus service.

The indictments against King and 89 other defendants still awaiting trial charge violation of a state law which prohibits any conspiracy or other agreement, "without cause or legal excuse," to impede the operations of a lawful business.

At one point in the proceedings, Circuit Judge Eugene Carter, who will decide King's fate in the absence of a jury, said he thought the state had already established "a prima facie case of conspiracy." But he did not say the prosecution had succeeded in linking King to it.

Ex-Con Gets Term For Grand Larceny

Jack F. Hude, 47-year-old Pennsylvanian, was sentenced to a three-year penitentiary term Tuesday by the Lancaster District Court on a grand larceny charge.

Hude, who had been in Lincoln about one week before his arrest, pleaded guilty March 17 to theft of two movie cameras, worth \$164.45, from Lawlor's. The merchandise was later pawned, police said.

The defendant told the court that he had difficulty in obtaining work because of his prison record. Hude, who came here from Cheyenne, Wyo., said he had not been in trouble since February, 1954, when he was released from a Montana prison.

Hude had served two previous terms for grand larceny, a three-year term in Oregon in 1942 and a 6½-year term in Montana in 1947, according to the records.

\$220 Inheritance Tax On Brostrom Estate

Inheritance taxes of \$220.62 in the \$44,520.08 gross estate of Carl Theodore Brostrom, Lincoln resident who died Aug. 3 have been levied in Lancaster County Court.

The court ruled the tax should be paid 22.4 per cent to Saunders County and 77.6 per cent to Lancaster County. Estate heirs were a daughter, Helen J. Swanson, and a son, Carl J. Brostrom.

Dr. Armstrong Dies

FORT SMITH, Ark. (AP)—Dr. Minnie Sanders Armstrong, 88, reportedly the first woman juror in the United States, died at her home here Sunday. In April 1890, shortly before she moved to Fort Smith, Dr. Armstrong served on a trial jury at Anna, Ill. The presence of a doctor was required and she was the only physician in town.

ZENITH
the world's
largest-selling
Hearing Aid

Last year, and for several years past, more hard-of-hearing people chose Zenith Hearing Aids than any other make. Only outstanding quality could explain why Zenith is the choice of so many hundreds of thousands. And only outstanding quality could explain why so many world leaders prefer Zenith. Doctors, scientists, judges, explorers, statesmen, clergymen, and bankers—men and women who could afford to pay any amount of money for a hearing aid—choose to wear a quality Zenith.

Five all-new, all-transistor models to choose from. Prices from \$50 to \$150. Ten-Day Money-Back Guarantee. See your classified telephone directory for your nearest Zenith Hearing Aid Dealer. Or write Zenith Radio Corporation, Dept. N8CD, 5801 Dickens Ave., Chicago 39, Illinois, for free literature and dealer list.

By the Makers of World-Famous Zenith TV and Radio Sets

Rufus Lewis, chairman of the association's transportation committee, told the court how the committee inaugurated the car pool soon after the Negroes stopped riding city buses in protest against segregated seating facilities.

Lewis said the committee arranged to pay volunteer drivers \$4 a day for the use of their cars and bought gasoline for some. He said approximately 200 Negro motorists volunteered for the assignments of getting other Negroes to and from work.

Although he would not concede

that the purpose of the pool was to "keep Negroes from" patronizing the bus company, the witness did say its function is to provide transportation for those "who want rides in preference to riding the buses."

He said the committee worked out a detailed list of "dispatch" stations to get Negroes to work in the morning and "pickup" stations to get them home at night. One such list was introduced by the state as evidence.

Another witness, the Rev. U. J. Fields, drew a stern warning from Judge Carter after he insisted he could not remember whether the bus protest had been discussed at

any of the Negro rallies which he said he attended.

"You know whether they were or not," the judge admonished. "Now tell the truth."

Fields, prompted by the prosecution, did recall telling the grand jury last month that the Improvement Assn. at its organization meeting on Dec. 5 recommended continuing the boycott indefinitely "until conditions improve."

Before he took the stand, the Baptist minister refused to swear to the customary witness oath. protesting. "I don't swear. It's against my religious convictions." But he promised to tell the truth and the judge accepted that.

VFW Gives New Award To Bryson

Recipient of the first annual special award to an outstanding member of Post 8009, Veterans of Foreign Wars, is Charles Bryson, it was announced.

Bryson, who lives at 2907 So. 11th, was given the award because of his outstanding services to the organization, Joe Kaar, senior vice commander, said. Kaar made the presentation.

Bryson has been a member of the post four years, and is a member of the drill team and is service officer.

State Winter Wheat Very Thirsty

The winter wheat crop "needs moisture badly" throughout the state, government crop observers say.

Winds have dried up Nebraska topsoil and the eastern half of the state is particularly dry, according to the State-Federal Division of Agricultural Statistics.

Wheat plants "appear to be alive yet" but moisture must come to assure "normal growth," the weekly crop report says.

West Not So Dry

But wheat has made progress in the western area where the moisture situation has been more favorable than in the east, the report says.

Other observations: Week-end winds "were a little severe" and caused some soil blowing.

Some oats have been planted in southeast Nebraska and there was "a little" farm work done last week.

Surface moisture in the northeast is more nearly adequate for spring

small grain seeding than in other sections.

About one-fourth of the counties report a shortage of hay and forage. Moisture is needed to start the pastures and relieve the feed shortage.

Interest in pump irrigation continues and some early irrigation is being done. Snow pack in the mountains is larger than usual but probably not more than ample to fill reservoirs since storage is low.

Chilly weather and high winds

last week were "a little severe" on newly born calves, lambs and pigs.

Points receiving precipitation during the week ending Monday included Sidney .37 inch, Scottsbluff .16, Imperial .21, Chadron .03, North Platte .15, Norfolk .03, Lincoln .09 and Grand Island .01.

Senate Election Law Debate Heated

WASHINGTON (AP)—A flareup between Sens. Douglas (D-Ill.) and Daniel (D-Tex.) marked Senate debate Tuesday on a proposed constitutional amendment to change the electoral college system for the election of presidents and vice presidents.

The flurry ended after Douglas challenged Daniel to work for "universal suffrage" in Texas and the Senate's presiding officer intervened to get the debate back on the original subject.

Douglas opposed a change from the present system under which each state has an elector for each of its Senate and House members. A presidential ticket which carries

a state gets all of that state's electoral votes.

Daniel argued for a proposed amendment which would give the states two choices in casting their votes for president and vice president.

Proportionate

Under one, a state would use the proportionate - to - popular - vote method of dividing its electoral votes for rival candidates. Under the second choice, the states could provide for a vote on electors just as they do on senators and representatives, electing two electors by statewide vote, the others by congressional districts.

Douglas argued that the substitute was an attempt "by rural one-party states in the South and Middle West to dominate the choice of president" and would "deprive the big city voters of fair representation in a presidential election."

This was a reference to often-heard complaints that in many states a rural voter wields more

power than a city voter because of such practices as drawing up elections districts with markedly unequal populations.

One Point

In the course of questioning Daniel, Douglas told him:

"The objection of the senator from Illinois to the amendment is that it would take from the cities the one point of vantage and from the big states the one point of vantage that they have now." Then, his voice rising, he continued:

"If the senator from Texas has a great zeal for reform, why does he not seek to provide universal suffrage in the great state of Texas, or seek to abolish the poll tax, or seek to remove the physical disabilities which are imposed upon a large number of people of a different color from his own?"

Daniel broke in to address the presiding officer:

"Mr. President," he said, with some feeling, "I ask for the regular order. I yielded to the senator for questions, not for a speech. And I do not yield to the senator from Illinois to intimate that the senator from Texas may not have tried to do what he could with respect to the poll tax. I supported the constitutional amendment in my state to get rid of the poll tax."

Even Keel

Daniel got the discussion back to his amendment and things returned to an even keel.

Sen. Barkley (D-Ky.) urged the Senate to support a plan for election of president and vice president by direct popular vote.

Sen. Kefauver (D-Tenn.), while stating that he, too, would be happy with a direct popular vote for president, told Barkley he is sure it is politically impossible.

Soil Bank Plans Require Sharp Pencil

By B. R. ROTHENBERGER
Star Staff Writer

If the average citizen, including the man on the farm whose interests are directly at stake, were asked to define the administration's soil bank plan he would reply with this generality:

"It means that the government would get out of accumulating crop surpluses by hiring the farmer to produce less — that is, by leasing a part of his producing land and prohibiting anything from being harvested from it."

In a rough way that would be a correct answer. But it isn't enough to provide a basis for the non-expert to form a true opinion of the practical merits of the plan. It takes details and a sharp lead pencil to tell the farmer what he is getting into and to give him a basis for judging where the plan will lead him. And it takes the same details to tell the average non-farmer what it is going to cost and what are its reasonable chances for success.

May Be Changed

The current absence of details is not especially the fault either of the average citizen or the suppliers of public information. The administration has a detailed plan.

But it is not yet a law. And if it becomes a law it may not survive in its original form. Nor does it appear that it will be the only device affecting farm prices and production.

As the agriculture administration envisions the plan it has these basic factors:

(1)—It will be voluntary. The individual crop producer can sign up or stay out of it.

(2)—It will come in two parts. One part will apply to leasing-out-of-production already allocated grain acres—this on a year-to-year basis. The other part will apply to not-in-production land, this on a 3 to 15 year basis for the purpose of improvement through conservation practices.

Half Of Allotment

Considering Part 1, the Department of Agriculture would accept as a farmer's acres allocated for corn or wheat if the total exceeded 50 acres, or 50 acres of any allotment whose total is not twice that much.

It would accept a minimum of five acres or an allotment which ever is smaller.

Then for the land taken out of production the department would pay an annual lease price somewhere around half the support rate for the type of crop that would have been planted. It would make the payment on the land's computed normal yield.

The department has contemplated payments based on 40-50-60 and 70 per cent of the support rate. But the present Senate bill—not yet a law—says the rate shall be 50 per cent on either the old or new parity figure, whichever is bigger.

Example Given

Take an example arbitrarily based on 50 per cent of the support rate as it presently stands. Suppose a corn farmer has 120 allocated acres. Half of that, or 60 acres, would go into the non-producing reserve. Suppose his normal corn production is 30 bushels an acre and that the support rate is \$1.80 a bushel. Half of the sup-

port rate would be 90 cents a bushel. Multiply that by the 30 bushel normal yield and the farmer's annual per-acre lease payment would be \$27. Sixty acres at that rate would give him a return of \$1,620.

The same acreage — 60 — if it were planted and produced a normal crop — 30 bushels — would, under a support price of \$1.80 a bushel, return to the farmer \$3,240. That is against \$1,620 under the acreage reserve plan under the rates just given. But it must be kept in mind those rates are not certain, just examples.

Costs Eliminated

It should be kept in mind that the lower reserve return amounts to guaranteed normal production and eliminates planting, care and harvesting costs.

Part 2 of the plan turns to non-grain producing acres. The department envisions paying an annual average rental of \$10 an acre for land set aside. But the land must stay out of production from 3 to 15 years and must be treated with conservation practices.

If the practices require an investment the department would pay up to 80 per cent of their cost if they did not exceed \$25 an acre.

The conservation practices could range from trees to through water storage, wild life and cover to grasses and legumes.

In neither of the two plans would the farm operator be permitted to graze or harvest any crop.

That in essence is the soil bank plan.

"Andy says I'm an angel!"

Andy thinks it's nothing short of a miracle the way I manage to get all my housework done and still have time for the many things I really enjoy doing. The truth is, I've simply found faster, easier ways to do my work. Like wood floors. How I used to dread that chore until I found out about Bruce Cleaning Wax. Now it's almost a snap because Bruce cleans as it waxes. There's no floor washing at all. And, honestly, my floors haven't looked so nice in years. If you have wood floors, you really ought to try Bruce Cleaning Wax. I know you'll like it.

Incidentally, I've found other Bruce floor products help me, too. There's Bruce Floor Cleaner for cleaning and lighter waxing, Bruce Paste Wax, Bruce Asphalt Tile Cleaner, Bruce Asphalt Tile Self-Polishing Wax and the new Bruce Self-Polishing Wax. Yes, for floors it's Bruce!

FIVE STATE CITIES TO RECEIVE FUNDS FOR AIRPORTS FROM AERONAUTICS DEPT.

The State Aeronautics Commission Tuesday reported allocation of \$3,500 in state funds and \$7,000 in federal funds toward construction of a medium intensity lighting system on a runway at Fremont.

The Commission allocated \$12,500 for further development of the air age education center at the University of Nebraska Teachers College. The allocation covers the period from April 1, 1956 to Sept. 1, 1957.

Other allocations:
Oshkosh: State funds, \$7,500, and federal funds, \$15,000, to be matched with \$7,500 in local funds for purchase and development of an existing privately owned landing field as a municipal airport.

20 Youths Win \$100 Gray Scholarships

The Vocational Education Division of the State Education Department Tuesday announced the names of 20 Nebraska high school seniors who have been awarded \$100 Carl R. Gray Scholarships to be used at the University of Nebraska College of Agriculture.

One of the scholarships is awarded annually to a vocational agriculture or homemaking student in each of the counties served by the Union Pacific Railroad, which Gray headed.

Gothenburg: State \$3,000, federal \$6,000, with Gothenburg's \$3,000; total \$12,000 for concrete apron, taxiway and starter strip.

Middlebrook Estate Tax Of \$14,747 Paid

The estate of Frank C. Middlebrook of York, who died in December, 1954, has paid a state estate tax of \$14,747, the tax commissioner's office reported Tuesday.

Middlebrook Estate Tax Of \$14,747 Paid

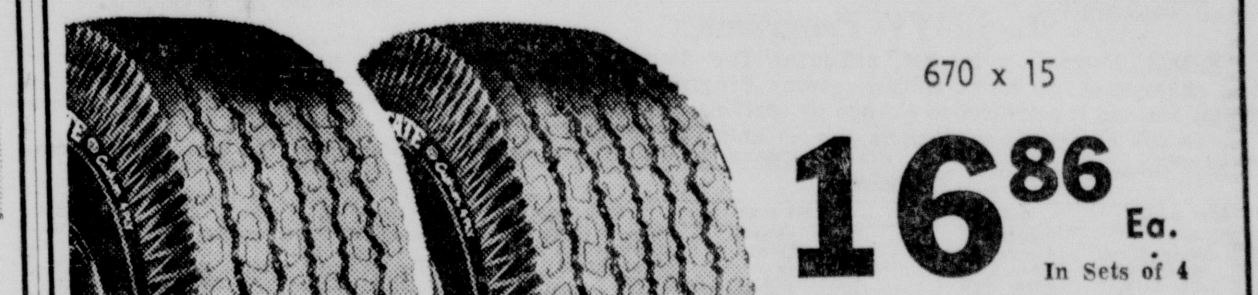

The net taxable after deductions was \$653,683. The county received \$3,909 in inheritance tax.

Eastridge

Lincoln's new
family neighbor-
hood . . . that isn't
just new . . . BUT
BETTER!

This year you can join the progres-
sive families who live here because
they recognized outstanding value

They noted the private neighbor-
hood swimming pool, the ideal
school situation, the well lighted
streets, the big lots, the neighbor-
hood spirit that makes Eastridge
different.

Call us this week to find out the
reasons for making your move
to Eastridge . . . and how easily

Time Says Khrushchev Told Of Stalin Fleeing Moscow In 1941

NEW YORK (AP) — Nikita Khrushchev declared in his Feb. 24 speech that Joseph Stalin fled Moscow in the face of Hitler's armies in 1941, Time magazine reported Tuesday.

Stalin, the magazine said, left the defense of his capital to Soviet army leaders Georgi Zhukov, Konstantin Rokossovsky and Ivan Konev, whom he later made marshals.

The Time report on Khrushchev's declaration — no text of which ever has been released from Moscow — came from its correspondent Jim Bell. Bell left the U.S.S.R. and filed from Bonn an uncensored account of recent developments.

Statues
Here are some other statements Khrushchev made, by Bell's account:

Stalin's plot phobia approached paranoid proportions during his last days and he developed a consuming anti-Semitism.

Stalin's delusion of grandeur led to insistence that statues be erected to himself all over Russia, including one at the Volga-Don Canal for which 35 tons of precious copper were used.

Stalin even tortured little children to wring confessions from them. He promised some of his victims homes in the country if they confessed—but the only country homes he gave them were underground.

Stalin's leadership from 1924 to 1934 was indispensable and during that period he was truly a great and devoted servant of the party.

'Terror'
One of the Communist delegates shouted from the floor in the midst of Khrushchev's speech, Bell reported, "Why didn't you kill him?" and Khrushchev answered: "What could we do? There was a reign of terror."

Newsweek magazine's current issue says Stalin's body is to be removed "to oblivion" from the mausoleum in which it rests in Moscow's Red Square with that of Lenin.

An Associated Press dispatch which passed through censorship Sunday noted that "a line of people four abreast and three-quarters of a mile long waited to visit the Lenin-Stalin tomb. It is something every visitor to Moscow wants to see."

Clark And Enerson Firm Picked For City-County Bldg. Plans

The City-County Building Authority announced Tuesday the employment of Clark and Enerson, a Lincoln architectural firm, to make preliminary plans of a combined building to submit to the voters at a June election.

The preliminary planning, the Authority said, will include development of tentative building plans with space allocations, an estimate of construction cost, preparation of sketches and models, and studies of sites and environs.

The architectural fee agreed upon will be based on actual cost of the work, but not to exceed \$2,000, the Authority said.

Authority Secretary Chauncey Barney said Kenneth Clark and Lawrence Enerson were selected as the building's architects after interviews with Lincoln's leading architectural firms.

Selection was based on experience of the architects in buildings of this magnitude and type, present availability for substantial services, and the size of the firm's staff.

Barney said the architects will take advantage of previous studies made of building and space needs, but will make independent surveys in preparation of requirements and costs.

In addition to building requirements, the architectural study will survey possible sites, traffic patterns, parking requirements, and

cost of acquisition of potential sites, Barney said.

Earlier Tuesday, the Lancaster County Board approved a \$4,500 appropriation to the Authority for office space and equipment, clerical help, architectural fees and other expenses.

The City Council previously okayed a similar amount.

The \$9,000 would be reimbursed to the contributing governmental subdivisions if the Authority is successful in floating a bond issue for the proposed city-county building.

2 Airmen Die

MARIETTA, Ga. (INS) — Two Air Force men were killed Tuesday when their T-29 navigational trainer aircraft crashed and burned 2½ miles from Dobbins Air Force Base, at Marietta.

The plane, from Harlingen Air Force Base, Texas, had taken off from Maxwell Air Force Base, Montgomery, Ala., when the pilot messaged he was in trouble. An hour later it crashed just off the Dobbins base east-west runway.

MRS. J. GILLARY, Detroit, Mich., says: "No need to cut tablets of St. Joseph Aspirin For Children to give exact dosage. My children like the orange flavor."

Sympathy Expressed

MOSCOW (AP)—Patriarch Alexei of the Russian Orthodox Church has expressed sympathy for the Greek Orthodox Church over the banishment of Archbishop Makarios from the British colony of Cyprus. "We suffer with all our hearts with you and with the Cypriot church in connection with the grievous affairs that have come to pass," the patriarch said in a message.

"So today is really tomorrow and since spring would usually start tomorrow it starts today instead."

"Now that we've cleared that up, here's the forecast . . ."

Cleared Up

PORTLAND, Maine (AP) — Ernest W. G. Klemann, chief at the U. S. Weather Bureau here, started his daily radio broadcast by saying:

"I have been asked to explain why spring starts on the 20th this year instead of the 21st as usual. Well, since this is Leap Year, February had 29 days instead of 28 and the 29th of February was actually the 1st of March . . . and March 20 is actually March 21."

"So today is really tomorrow and since spring would usually start tomorrow it starts today instead."

"Now that we've cleared that up, here's the forecast . . ."

NU Regent Dr. Johnson Files For Re-Election

Dr. Earl G. Johnson of Grand Island, filed Tuesday as a candidate for re-election as a regent of the University of Nebraska. The first candidate to file on the non-political ballot. Dr. Johnson is currently the president of the Board of Regents.

Early in February Dr. Johnson was released from Denver hospital after recovering from major surgery. He represents the fifth
